MT. DIABLO THERAPY CENTER is helping 14-year-old Robin Muse of Orinda on the road to health — and to aid the Center in its work for Robin and many other patients of this area, the Orioles and Tanagers, Orinda women's auxiliaries of the Center, presented the institution with a check for $2539 recently. With Robin at the Center, on the day the presentation was made, are Mrs. Calvin Hagstrom, second from left, past president of the Orioles, and Mrs. Alexander B. Robin Muse Walks—And Oriole-Tanager $2539 Gift Aids Therapy Center Work

For the past four years women in the Orinda area have been actively supporting the Mt. Diablo Therapy Center. The importance of their work is sometimes not brought home until someone near is struck by polio or some other crippling condition.

Last year 14-year-old Robin Muse of Orinda was sent to the hospital —polio. For three months Robin lay in a hospital bed unable to move his legs. At Christmas time he was sent home. The long road back was just beginning.

LAST WEEK, the Orinda Orioles and the Orinda Tanagers, women's auxiliarie sof the Therapy Center, dramatically underscored the Center's work for robin and many other patients—by presenting a check for $2539.

The sum was the result of activities by the two units during the past six months. One of the highlights of these activities was the joint "Frontier Frolics" staged by the Orioles and Tanagers at Castle Rock Park in May.

The presentation was made June 26 by Mrs. Calvin Hagstrom, past president of the Orioles, and Mrs. Alexander B. Morris, president of the Tanagers. Mrs. Hagstrom's term as head of the Orioles recently expired.

MRS. ALYCE BOWMAN, a physical therapist at the Center, was sent to see Robin upon his discharge from the hospital. Every day for three more months Mrs. Bowman continued to see Robin at home. The hours spent by the therapist did not complete the treatment. Robin's mother and father were instructed in the methods of treatment, and they worked hard and long to follow through with the program of therapy.

As time passed, Robin became strong enough to stand, then walk. He was fitted with braces and crutches. The long road back was becoming shorter. He was now able to come to the Center, where he could benefit from the numerous pieces of equipment donated to the Center by the community.

After three months of treatment at the Center, Robin is showing the results of the hard work of a team: the doctor, therapist, mother and father, and the community. His braces have been cut down, he is building up power and endurance, and in the not too far future he will cast aside his crutches.

THIS IS NOT JUST another comeback story; it is a good deal more than the work of a few individuals. Represented in Robin's recovery are the dreams, efforts and hard work of many men and women in the entire Mt. Diablo area. Service organizations, volunteer agencies, schools, children's organizations and just plain people have given their time and money to make all this possible.

The people of this community can point with pride to their own accomplishment—the Mt. Diablo Therapy Center. The satisfaction gained—Robin is walking again.

S. N. Passenger Train Will Run Sunday – One Day

"All aboard the Sacramento Northern passenger train!"

No, that's not a dream. It'll be a reality Sunday, even if only for that one day.

The Bay Area Electric Railroad Association, an organization of electric railroad enthusiasts, will take a two-car passenger train over the Sacramento Northern tracks from Oakland to Pittsburg and back. Some 80 persons are expected to go on the excursion, leaving the old passenger station at 40th Street and Shafter Avenue, Oakland, at 9:30 a. m. and proceeding past Canyon, Moraga, St. Mary's, West Lafayette, Walnut Creek, Concord and Port Chicago stations to Pittsburg.

AT PITTSBURG they'll have lunch, and will return via the same route. The round-trip may take about eight hours, but there's no exact time table, since there'll be stops for lots of picture-taking. According to Secretary A. H. Laflin Jr. of the association, the train may even back up now and then, just for reminiscence's sake.

Arrangements for the outing have been made with Western Pacific Railroad, owner of Sacramento Northern. The two cars will be the one remaining S. N. passenger car, owned by W. P., and the club's ex-S. N. car, purchased last year from the Key System and restored to its original condition.

Excursion chairman is Dudley W. Thickens of 40 Park Avenue, Walnut Creek. Victor Du Brutz of Webb Lane, Lafayette, is association treasurer. Gerald D. Graham of San Anselmo is president.

DESPITE THE GAY excursion plans, Western Pacific still awaited action by the Oakland City Council on the request of Oakland Terminal Railway for a franchise for a half-mile of track in Oakland. Granting of the franchise would pave the way for Western Pacific's plans toward abandonment of the Sacramento Northern tracks from Oakland to West Lafayette Station.

However, according to Arthur Lloyd, W. P. public relations representative, abandonment and tearing up of the tracks may be a couple of years off, since Interstate Commerce Commission permissoin must be obtained.

DA Told to Draft Draw Poker Ban In No Man's Land

Following an hour-long verbal give-and-take by El Cerrito, Richmond and Lafayette representatives with the county board, the Board of Supervisors on Tuesday instructed District Attorney Francis W. Collins to prepare an ordinance which would prohibit draw poker in "No Man's Land," small unincoroprated strip between El Cerrito and Richmond.

However, the supervisors pointed out they were merely taking a step toward obtaining information for a decision later. That point was also mentioned by Supervisor Ray S. Taylor when he seconded Supervisor Ivan Goyak's motion. Taylor stated that preparation of an ordinance committed no one.

The vote was unanimous. There was some delay between Goyak's motion and Taylor's second.

The motion, at request of Collins, contained the stipulation that City Attorney Clifford Anglim of El Cerrito and City Attorney Thomas M. Carlson of Richmond file written statements listing specific reasons for a special poker-ban law in "No Man's Land."

RALFE MILLER, representing the Lafayette Improvement Association, reminded the board of Lafayette's unsuccessful efforts last year to have the county outlaw draw poker parlors in unincorporated areas or to set up a licensing procedure for such places. He asked that the ordinance be expanded to include the Lafayette area .

Several weeks ago, when the Wagon Wheel, former Pechart-Kessel gambling casino in "No Man's Land," was reported about to open as a draw poker parlor, El Cerrito's City Council and City Manager Kenneth H. Smith requested a regulatory ordinance outlawing draw poker parlors in unincorporated areas adjacent to cities which would prohibit such establishments and in other communities "where residents have clearly demonstrated a desire to prohibit such card rooms."

El Cerrito and Richmond both ban draw poker parlors, as does Alameda County's Albany, also near "No Man's Land."

HOWEVER, CARLSON and El Cerrito Councilman Edward A. Valentino declared on Tuesday that they were interested only in an ordinance which would establish a poker-ban for "No Man's Land."

Carlson said he personally favored a countywide ordinance but added that the "No Mans' Land" situation was urgent enough to merit special legislation. He stated that if the spot-zoning type of ban were contested, Richmond and El Cerrito would aid in taking the matter to higher courts if necessary.

BOARD CHAIRMAN Jack Cummings indicated that a regulatory measure, under which the supervisors would be called upon to grant permits to poker parlors, might prove an incentive to establishment of such places. "If the board grants permits licensing gambling places," he said. "gangsters get a toe hold. They feel they have the sanction of the supervisors."

In urging inclusion of the Lafayette area in outlawing of draw poker parlors, Miller said that even though a "social club" set up last summer has now closed, the community wants to prevent possible resurgence of that type of place.

Supervisors Taylor and Warren Buchanan said their districts presented no problems or complaints in this respect. Supervisor Jacob Frederickson said Antioch outlaws draw poker rooms and added he would favor a countywide ban.

Sawyer on Special Shell Co. Assignment

Webster M. Sawyer Jr. of 24 Claremont, research chemist with Shell Development Company, is on a one-year special assignment at Shell Oil Company's refinery at Wood River, Ill.

THOSE SMILES MUST MEAN great plans for the Orinda Nursery School Association. Anyway, the recently elected officers of the association were in a very cheerful mood when this picture was taken. Left to right, they are: Seated — Mrs. John Grant, secretary; Mrs. James Seaman, president; Mrs. Cecil Cutting, vice-president; standing — Mrs. Frank Cayting and Mrs. Paul Barrett, treasurers.

Plane Spotters Needed for 'Operation Skywatch,' Civil Defense Heads Stress

By ALVIN GUTHERTZ

There is an urgent need in this area for civilian airplane spotters!

This fact was revealed at a meeting of the 28th Air Division chiefs and civil defense directors at Hamilton Field last week. Sixty-five thousand plane spotters are needed to fill the gap in California's air defense left by the limitations of radar.

Many of these spotters are needed for this area.

MORAGA, BEING THE central location of this area was chosen by the Air Force as location of a spotters' station last February. Moraga School trustees offered the school building for the headquarters of the group.

During the Air Force Civil Defense Conference plans for the forthcoming 24-hour around-the-clock activation of the Ground Observer Corps, beginning Monday, July 14, were announced. This was originally scheduled for May 17, but due to lack of support was postponed. The new 24-hour "Skywatch" operation has been termed by General Walter Robertson, state civil defense director, "an essential preparedness measure to the safety of the United States."

General Robertson warned, "We do not know when the Soviets might attack, so we must be ready for them. Our radar equipment is limited when it comes to low-altitude detection, and that is why the Ground Observer Corps must have thousands of volunteers now if the State of California is to survive an enemy attack."

FOR THIS AREA, in time of emergency, 500 volunteers will be needed to man the post on a 24-hour basis. Teenagers make especially good plane spotters. Parents of interested teenagers are urged to signup for the father-son or mother-son-or-daughter air spotter team.

Colonel Harry M. Pike, commander of the 28th Air Division, stated the poor number of spotters "is far from adequate, since at least 90 volunteers are required from each post."

"The Soviet," Colonel Pike points out, "also has radar equipment and knows its limitations as well as we. It would be only common sense for the Soviet to do everything in its power to escape our radar detection."

"Thus, it is probable," Colonel Pike continued, "that if the California coast line were to be attacked, planes coming in would choose low altitudes. This is where a strong Ground Observer Corps would plug up our gaps in air defense and give us the detection vital to our security."

THE AIR FORCE chief concluded, "The only qualifications for a ground observer volunteer are a pair of good eyes, a voice to tell his report over the telephone and a deep feeling of patriotism."

"The Moraga area has needed many volunteers," declared William Beaumont, information assistant with the State Civil Defense Regional Coordinator Harry H. Stoops, "and now that the 24-hour Operation Skywatch is getting under way, even a greater number of spotters must be ready."

Volunteers from teenage on through retired adults are urged to help in plane spotting. Post supervisor for this area, Commander M. Blaine De Leshe, U.S.N., retired, has been giving a course in plane recognition the past weeks.

COMMANDER DE LESHE was in Pearl Harbor at the time of the Japanese attack, and recognizes the importance of advance warning given by the volunteer plane spotters.

Commander De Leshe may be contacted at Drake 6-8852. Aiding De Leshe in this area is Mrs. F. R. Devin, who can be located at Drake 6-8697, and Mrs. William Gordon, helping in the Orinda area, who may be contacted at Orinda 8852.

Bus Service – Chief Topic for School Meeting

Schedules and bus routes for the coming school year will be the main topic of discussion during Monday night's meeting of the Orinda School Board.

Superintendent of Schools Joseph L. Sheaff and the Board of Trustees hope for a good attendance. The meeting will begin at 8 p.m. and will be held at Orinda School.

Warren Harrold Gets Use Permit On Resubdivision

The Board of Supervisors on Tuesday granted Warren Harrold's request for land use permission for resubdividing nine lots of Orinda Uplands Units 2 and 3 into 16 lots.

Map for the resubdivision was approved that night by the Planning Commission, subject to Harrold's obtaining clearance from the Health Department and the Sanitary District as to septic tanks.

PLANNING TECHNICIAN Tom Heaton stated later that the planners would not formally okay the map until such clearance is presented or until sewerage facilities are installed. Final approval of the map is up to the Board of Supervisors.

In another action, the Planning Commission approved the map and land use application of Orinda Homes, Inc. ,for a 55-lot subdivision near the Orinda high school site about three miles south of Orinda Crossroads.

TWENTY-FOUR of the lots would be in an Agricultural zone, while 31 would be in unzoned area. Average lot size would be one-quarter acre. The land is some 750 feet northeast of Moraga Highway, across from the high school site, and about a mile northwest of Moraga Townsite.

The application of Robert Kleyn-Schoorel for an O.K. for a 24-inch side yard on Lot 49 of Monte Vista subdivision ,on the east side of Valley Road, was again held over for a week when the applicant did not appear, according to Heaton.

Firework Warning

Parents, as well as children, have been asked to cooperate with the fire department in the matter of fireworks during this Independence day weekend, Fire Chief H. E. Wyatt has announced.

The sale, use or possession of fireworks of any kind in this county is illegal, and special patrols which will operate night and day have been set up.

Not only will the fireworks be taken away from the youngsters but parents will be questioned. A possible fine and conviction can result from the illegal use of fireworks, Wyatt warned.

Highway Group Urges Stricter Road Standards

Tightening of standards for roads in new subdivisions was urged Tuesday night by the Board of Directors of the Diablo Highway Improvement Federation.

Meeting at the home of Ed Rowland on Pleasant Hill Road in Lafayette, the board passed a resolution urging the County Board of Supervisors to adopt the new tentative specifications drawn up for such roads by County Road Commissioner Victor Sauer.

THESE STRICTER specifications, it was explained by Federation Chairman Elliot J. Hartman, will, if approved by the supervisors, become part of a general subdivision ordinance now in the process of being hammered out. The new ordinance, he added, will also include provisions for the position of roads in new subdivisions, and for arrangements for utilities and other vital details.

"One of our main interests in this matter," Hartman pointed out later, "is to see that connecting roads are planned when new subdivisions are laid out. Such planning would prevent situations where lack of connecting 'back roads' becomes an acute problem, as is now the case in some sections of this area."

The federation chairman mentioned as an example the lack of secondary roads and connections in Lafayette, where the county is now, at recommendation of the federation, preparing to survey, chart and build a series of back-road links from Leland Drive to Moraga Boulevard, south of and parallel to Mt. Diablo Boulevard.

"THE NEW ORDINANCE on subdivisions would provide for quality, quantity and position of roads," Hartman said.

Discussion of efforts for a revamped subdivision ordinance occupied a major portion of the federation board session.

Present were three members of the road committee of the Mt. Diablo Junior Chamber of Commerce, headed by Yates Bleuel of Orinda. Bleuel and the others agreed that their committee would be represented on the federation board and would cooperate on various projects. Start of such working together will be to assist in the federation's membership drive.

THE WIDER THE organizational membership base of the federation, the more effective the federation will become, it was stressed. Hartman urged interested organizations to get in touch with Dudley Thickens, federation secretary, at 40 Park Avenue, Walnut Creek.

Hartman represents the federation on the advisory committee which is discussing a new subdivision ordinance with the County Planning Commission. A meeting with Planning Techician Tom Heaton and his staff was held in Martinez Wednesday; a previous meeting was held June 25, and another session is scheduled for next Thursday.

AT THE FEDERATION board meeting this week, approval was voted to inclusion of the organization in the Contra Costa delegation to the July 22-23 session of the recently formed Senate - Assembly fact-finding committee on state highway improvements, to be held in Long Beach. Hartman was authorized to represent the federation.

The federation had been invited by Sauer to join the county delegation.

Orindans Cop Wins at Alameda County Fair

Mrs. Dagney Olson of Orinda won a first place ribbon in clothing and textiles and a second in breads, biscuits and rolls at the Alameda County Fair at Pleasanton.

Challiss Gore won second and third place honors in photography competition, and Frank J. Dutra won second spote in the Haviside Stock Horse Stake with his mount "Dodger."

Ask Satisfactory Tract Plan for Wood Subdivision

Orinda improvement groups continued their efforts this week to work out with realtor Fred T. Wood an agreeable plan for Wood's proposed subdivision bordering Moraga Estates, Moraga Manor and Moraga Glorietta.

In a letter sent to members of the Glorietta Improvement Association and Orindans, Inc., the Orinda Planning Committee outlined the progress of the fight against what has been termed plans not in keeping with nearby tracts.

The Planning Committee was set up last month by a dozen improvement clubs. Joseph Creighton was named chairman of the general body and a small steering committee.

THE LETTER ASKED financial aid in the endeavor. It was pointed out that Harold Wise of Menlo Park, planning consultant, is ably serving the Planning Committee, at a rate of $50 a day. "So far we are obligated to pay $75, but the bill may reach $300," the letter stated. "That will be cheap, considering what is at stake.

"Other improvement associations have promised contributions, but the bulk of the money must come from those most affected. So we ask $2 per family. Later we may call for another pilgrimage to Martinez. Send checks to: Glorietta Improvement Association, Mrs. Maria Brown, Irvine Drive, or Orindans, Inc."

"SINCE HIS employment," the letter reports, "Mr. Wise has served us well. He had already advised us that in his opinion the proposed subdivision was not well laid out. He has consulted with the technical staff of the County Planning Commission, which agreed that changes in the map were needed.

"Now Mr. Wood has agreed to prepare a contour map and submit it and his subdivision map to Mr. Wise for suggestions. We do not propose to pay for the redesign of the map, but we do believe we should make constructive suggestions. We plan to cooperate with Wood if that is possible, but we shall fight if necessary."

Wood's latest map, at the time the letter was written, was described as one showing 96 lots. This map, it is stated, "has few lots under one-half acre, but the character of the map is the same."

"THE LOTS ARE long and narrow, with rear portions extending far up or down hill," the letter continues. "The plan still calls for bulldozing off the tops of knolls and hills and filling of valleys so large areas can be flat despite the hilly terrain."

About two weeks ago, the report goes on, representatives of nine improvement associations met, and "everyone agreed that the people of all parts of Orinda must stand united to preserve the character of Orinda and to prevent the breakdown of zoning restrictions."

Approval of the efforts of the Glorietta and other groups by the Orinda Association was cited.

According to Creighton, another letter was to be sent to some 14 other local associations, asking for their support. Creighton said he expected to be in the east next week, and that during his absence Anthony Cianciarulo will be in charge of the committee.

Grand Jury Winds Up Term, Releases 71-Page Report on Findings To Court

By BRUCE POLICH

A 71-page report released this week by the Contra Costa County Grand Judy included recommendations ranging from making child desertion a federal offense to a proposal to discontinue operation of Buchanan Field.

Another recommendation by the jury of top importance to the county was a recommendation that the county begin a study of the feasibility of setting up an Urban Planning Commission for Contra Costa County with 11 cities participating in the proposed Urban Commission.

The report, submitted by the 19-member jury to Superior Court Judge Harold Jacoby, included recommendations from 12 separate committees formed within the Grand Jury.

Concerning the recommendation to "discontinue" operation of the airport, the Public Buildings and County Properties Committee, headed by Joseph P. McCall of Concord, pointed to a $116,446 deficit as of December 31, 1951.

The committee reported: "The past year has not indicated a financial improvement; we therefore recommend that this Grand Jury strongly urge the County Supervisors to take immediate steps to relieve the county of this ever-growing tax burden."

In calling for the county to consider abandoning the field, the committee pointed out that "very few of the county taxpayers use this airport, and there is little possibility of the airport ever having any commercial value to the county as a whole, this committee feels that it is wrong for the taxpayers to pay out their taxes to maintain and operate the field."

The Special County Planning Committee, headed by Leigh H. Smith of El Cerrito, in calling for the county to study the feasibility of setting up a county-wide planning commission, emphasized the need for keeping planning ahead of development in the county.

The committee commented that "the rapid growth of the county since the start of World War II has created many problems relative to almost every phase of living and working, including housing, street and highway traffic, transportation, schools, drainage, sanitary sewers, water supply, parks and playgrounds and almost every other community service and facility."

Committee members pointed out that the present county planning commissioin and the staff have not been able to keep planning ahead of precise plans and land use maps for the most critical areas.

The committee referred to the absence of any adopted comprehensive major thoroughfare system as "perhaps the most glaring lack of planning in the count unincorporated areas."

Cities scheduled to participate in the study of a county-wide planning group include Walnut Creek, Richmond, El Cerrito, San Pablo, Pinole, Hercules, Martinez, Pittsburg, Antioch, Brentwood, Concord and the Board of Supervisors of the county.

Each of the participating cities was urged to direct their respective planning commission to meet and investibate the feasibility of establishing the Urban Planning Commission.

Included in the report was a recommendation to study the possibility of establishing a regional park and parkway system for local parks in unincorporated areas, and the formation of a Park District.

The Social Welfare Committee, headed by N. C. Cornwall of Lafayette, in their recommendations specifically emphasized the need for modification of existing laws pertaining to cases involving desertion of the child by the father.

The committee recommended that "our representative in the Congress of the United States be requested to initiate and foster legislation making desertion of the child by the father a federal offense."

The committee commended the welfare director for his "activity in this direction and recommend that he use his utmost endeavors to obtain the desired legislation."

Members of the group reported that in California a disturbingly large portion of the total Aid to Needy Children caseload is made up of children who have been deserted by the father.

The Grand Judy also urged "all members of society to scrutinize carefully any plans for the extension of relief, whether it be a dole to the individually needy, a subsidy to agriculture or industry, or a subvention from the Federal Government to the states or counties, in order that we may not awake some time to face the fact that by our inertia we have surrendered to scheming men the right to direct our own futures."

Jurors urged the incoming Grand Judy, slated to be formanned by Jesse B. Turner of El Cerrito, to meet with the Board of Supervisors as soon as possible in order that it may be brought up to date on the progress and modernization and improvement of the facilities at the County Hospital and that "it do everything possible to hasten the completion of the program.'

The Welfare Committee also urged the Board of Supervisors to send representatives to the Legislature and the Supervisors Association to see "that legislation be enacted which would allow the Director (of welfare) to intervene in mismanagement cases and make certain that monies donated by the taxpayers for the relief of distress be spent according to the Spirit of the Laws."

Under the heading of Law Enforcement, the Grand Jury report suggested that consideration be given ways and means of inducing the larger unincorporated areas to police their own areas.

No specific areas were mentioned but it was believed the report referred to Orinda, Lafayette, Gregory Village, Danville, West Pittsburg, Rodeo, Crockett, Bethel Island and North Richmond.

Concerning Highways and Bridges the committee urged the Grand Jury to recommend to the County Planning Commission and Board of Supervisors that the county ordinance governing all subdivisions of the urban type, where lots are less than 100 feet frontage, should require sidewalks to be installed before the county will accept roads.

Members of the Juvenile and Probation Committee recommended that a survey be made of the financial and physical posibilities of expanding the County Juvenile facilities.

The Education Committee in its report commended the County Superintendent of Schools and other Unified as well as District Personel for their work in the county.

The committee said: "The county may well be proud of the generally well administered and ably run school system, which in spite of inadequate facilities and over-crowded conditions is still doing a very outstanding job."

Pointing to the ever-increasing population in the county, the committee stated that "it appears that much could be accomplished in the way of economy and efficiency by the unification of some small districts, particularly in better use of teaching personnel and more adequate housing."

The committee recommended that further study be made in connection with the special services involving spastic and handicapped children education.

Other recommendations by the Grand Jury included general suggestions concerning handling of accounting procedures in the offices of the Justice Courts, Sheriff, County Jail, Building Inspector, County Hospital and Probation Officer.

Pertaining to highways, jurors recommended that the Marsh Creek Bridge near the Cakebread Ranch be included in next year's budget for replacement; authorities take steps to stamp out illegal dumping of refuse along county highways; a left-turn lane be established for east-bound traffic on Arnold Industrial Highway at Martinez, Alhambra Avenue extension; and suitable quarters be provided for the various agricultural agencies.

Members of the outgoing jury were: Foreman, W. M. Casey, Concord; Secretaray, Claude M. Stitt, Antioch; H. Tom Lynn, Orinda; Walter C. Bedell, Associated; Neil C. Cornwall, Lafayette; Ernest D. Rossoni, Crockett; Manuel R. Marcos, El Cerrito; Mike F. Greif, Antioch; Thomas F. Neary, Pittsburg; W. F. Wilson, Richmond; Duncan A. Currie, Richmond; Carrol T. Gossett, San Pablo; L. G. Dawson, Martinez; William A. Hislop, Richmond; Leigh H. Smith, El Cerrito; Warren B. Abrams, Pittsburg; Fritz Carlfield, San Pablo; Norbert P. Bush, Richmond, and Joseph P. McCall, Concord.

Taxpayers' Association Starts Plans for County Manager Charter

A Board of Freeholders for the preparation of a county manager charter was one of the main topics of discussion during a recent meeting of the Contra Costa County Taxpayers' Association.

The directors of the association went on record as favoring consideration by civic groups of recommending to the Board of Supervisors that it appoint this Board of Freeholders. A more efficient management of county government and increased citizen control would result from such a charter, it was stated.

CIVIC ORGANIZATIONS such as the County Farm Bureau, County Grand Jury, County Bar Association and the County Development association have all received copies of the Taxpayers' Association report.

Such a charter, according to the association, would establish a structure of government patterned to meet the changing conditions of the largest non-chartered county in California.

THE BOARD OF Supervisors and the County Planning Commission, aided by the Taxpayers' Association, are presently discussing a new program involving a revamping of both the procedure and the organization of the Planning Commission. In order to improve on present regulations and to eliminate confusing terms, the County Zoning Ordinance is being rewritten. Advisability of recommending establishment of a Zoning Appeals Board is being considered by the Planning Commission.

Another new policy of the county commission is that of cooperating with the City Planning Commission in the field of long-range physcal planning, the association announced.

State Fair Begins Improvements

An extensive improvement and renovation program at the State Fair Grounds in Sacramento has gone into full swing in preparation for the 1952 California State Fair, which will be held August 28 through September 7.

The project includes landscaping for both beautification and comfort, planting of scores of shade trees, resurfacing of worn paved areas and new surfacing of all unpaved walks, paving of the parade ground, "face lifting" of several buildings and enlargement of the picnic area.

Other improvements will be the doubling of the trailer lot area, new lighting and ventilation in the Agricultural Building, and addtional lghting for the night shows.

The improving has added more than $1000 a day to area pay rolls and has been designed to provide the maximum of facilities and comfort for the hundreds of thousands of visitors expected.

Junior Chamber Has Installation

Mt. Diablo Junior Chamber of Commerce held its installation of new officers at a party June 21 at Carroll Ranch.

New and old officers, as well as other members and their guests, enjoyed an evening which began with a potluck supper and which included swimming and dancing.

New officers are: Richard Emory, president; Howard Koch and Willard Hayes, vice-president; Leonard Hooper, treasurer; Robert Hickey, secretary, and James Croudace, Champ Dobler, Edward Macauley, William McKee and Ralph Schuyler, directors.

No Spinal Disease Epidemic Seen

"There is not, nor do we anticipate an epidemic of meningitis in Contra Costa County," Dr. H. L. Blum, County Health Officer said this week.

There was one death this week of a two-year-old child due to meningococcal septicemia, a relatively unusual complication, which can ordinarily be well controlled by treatment.

Meningitis is highly communicable under adverse living conditions such as is usually found in overcrowded camps. Even under these conditions the disease can be controlled by promptly putting all exposed persons under medical treatment. Prompt treatment with new drugs has greatly reduced the number of deaths from this disease.

The Health Department has attempted to locate all known close contacts to the case and has advised them as to the need for treatment.

Dr. Blum said, "I wish to emphasize that no outbreak of meningitis is feared and that the death of this two-year-old child should serve to point out the need for early medical care in the case of illness. Only a physician can tell which illness is likely to be a serious one."

Girl Scout Camp To Open on Time

Diablo Valley Area Girl Scout Council's Sierra Woodland summer camp was expected to open as scheduled next Thursday as the second and concluding "work weekend" got under way yesterday to repair winter damage.

Everything from septic tanks to drain tile has been donated for the repair parties by various merchants and individuals of this area. Mrs. H. R. Westlund and Mrs. Robert Evans have helped organize the work parties.

Ruling Issued on Lien Sale of Cars

Sales of motor vehicles in the possession of garage or repair establishments for the purpose of satisfying labor, materials or storage liens must hereafter be advertised in newspapers of general circulation in counties where the vehicles are situated and where the sales are to take place.

An opinion interpreting a point of law in Sections 427 and 428 of the California Vehicle Code applicable to lien sales has been addressed to Director of Motor Vehicles A. H. Henderson by Attorney General Edmund G. Brown. It emphasizes that sales at public auction are required for the purpose of achieving a fair price and protecting the debtor's interest.

Winners Listed By Camera Club

Winners of the Contra Costa Camera Club's monthly print and slide competition last week at Orinda Community Church, as judged by Paul Dekar were:

Beginner class: Barney Hedberg, first and second place; Fred Nielsen, third place; Jerry Winfrey, fourth and fifth place.

Advanced: Wes Rhoades, first and fifth; James Hokanson, second and fourth; Guy Spencer, third.

Color: Dick Allman, first; Ed Nelson, second and fifth; Bud Dippo, third; Mrs. Irene Spencer, fourth.

Guy Spencer won a special competition for the best print of the Santa Maria Chapel. This print is to be placed in a permanent portfolio which will contain pictures of interesting and historical points in Contra Costa County.

A field trip to the Alameda side of the Estuary was held last Sunday.

Next scheduled meeting of the Camera Club has been planned for Tuesday at Orinda Community Church.

Taxpayer Group Plans Committee For This Area

W. S Van Winkle, president of the Contra Costa County Taxpayers Association, announces that a Central Contra Costa Citizens' Committee has been authorized by the Board of Directors of the association to be established in the central area of the county.

The proposed committee will study the functions and operations of the cities of Walnut Creek, Concord and Martinez, as well as attempt to aid in the solution of problems in the Lafayette, Orinda and Danville areas.

The planned Central Contra Costa Citizens' Committee will be staffed and financed by the County Taxpayers Association. Membership has not yet been appointed, but the following directors will participate in its organization.

G. C. Malmquist, Concord; William S. Palmer, Walnut Creek; Harmon Howard, Walnut Creek; Theodore Brown, Pleasant Hill; Gerald S. Deardorff, Danville; Richard Graves, Lafayette; Clarenve Fleager, Orinda. Martinez will be represented by Directors Frank Bray Jr., Milton Gross, John Griffin and E. R. Lasell.

John S. Youmans Named District Scout Executive

John S. Youmans is the new district executive for the Meridian District of the Mt. Diablo Council, Boy Scouts of America, it is announced by Victor Lindblad, council executive. He replaces Gordon Hawkins, who has been transferred to the Berkeley-Albany District.

Youmans began his professional career in scouting in 1945 at Grand Junction, Colo. He comes to the Mt. Diablo Council from the Salt Lake Council, where he has been for the last five years. He lives at 2069 Ahneita Road in Sherman Oaks, near Pleasant Hill.

The Meridian District comprises that part of the council territory which includes Orinda, Lafayette, Canyon, Moraga, Walnut Creek, Pleasant Hill, Gregory Gardens, Danville, Alamo, Diablo, San Ramon. Registered membership as of May 31 totals 1920 boys in 43 Cub Scout packs, Boy Scout troops and Explorer posts. Joe Conley of Orinda is chairman of the district committee, and Raymond Van Tassell of Danville is district commissioner.

Upholstery Classes

Acalanes Adult Center Summer session in upholstery will start next Thursday. Three classes are scheduled: Thursday, from 1 to 4 p. m.; Thursday, 7 to 10 p. m., and Friday, 9 a. m. to noon.

A minimum of 20 students per class will be required New sections will be started whenever a class is filled. George H. Chester, instructor in upholstery at Tamalpais Adult Center, will be instructor.

Broadway Tunnel Has Third Bath In Fifteen Years

Only normal damage to the $4,500,000 Broadway Low Level Tunnel in the last 15 years has been reported by R. D. Kinsey, assistant state engineer in charge of maintenance.

A recent "steam bath" given the twin bores revealed that only minor cracks have developed since the tunnel was first opened in 1937. The "steam bath" was the third one given to the tunnel.

Tests taken in the tunnel in order to determine any shifting of earth have revealed the tunnel is as sound as the day it was built, Kinsey reported.

Freight Rates Hike Protested By State Body

The California Public Utilities Commission and commission from 10 other western states which are members of the Mountain-Pacific States Conference of Public Service Commissions have joined in protesting to the Interstate Commerce Commission against the latest increase in interstate freight rates authorized by the ICC.

The new tariffs, it was explained by R. E. Mittelstaedt, president of the California Commission, increased rates throughout the west and for transcontinental shipments by nine per eent, while eastern rates were raised six per cent, effective May 2.

The conference asked reconsideration of the ICC order or reopening of proceedings for additional hearings to supplement the record.

The petition points out that with recent years the financial results of operations on western railroads have been better than those achieved by eastern carriers, and that in previous proceedings eastern carriers have been granted greater rate increases than the west because of their poor earning record as a group.

There is nothing in the record of the case, the petition declares, to show that western lines need the greater increase granted.

'God' Topic of Christian Science Lesson-Sermon

The Christian Science Lesson-Sermon for Sunday, July 6, will be read from the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy. The subject of the sermon will be "God."

Among the citations from the Bible, the following will be included from Leviticus:

"And the Lord spake unto Moses in mount Sinai, saying, Speak unto the children of Israel, and say unto them, When ye come into the land which I give you, then shall the land keep a sabbath unto the Lord. And ye shall hallow the fiftieth year, and proclaim liberty throughout all the land unto all the inhabitants thereof" (25:1, 2, 10).

The correlative passages from Science and Health will include the following:

"Discerning the rights of man, we cannot fail to forsee the doom of all oppression. Slavery is not the legitimate state of man. God made man free" (p. 227).

Youngsters Get Set for Junior Trail Ride Event

This Saturday is the closing date for those youngsters wishing to enter the Seventh Annual Junior Trail Ride of El Caballo Volante, junior horsemen's association, which is to be held from next Thursday through Sunday, July 13.

A limit of 60 youngsters, 16 years of age or under, has been set. Those interested may call Dave Krueckel at Walnut Creek 4687.

The 55-mile round trip will take the group through Clayton and up Pine Canyon on the west side of Mt. Diablo to Barbecue Terrace. The riders will camp out on the mountain overnight, following a barbecue supper with their families.

A total of 16 trophies will be awarded winning riders: four each in junior, intermediate and senior divisions, a horsemanship trophy for each dvision and a sweepstakes trophy posted by Grodin's of Walnut Creek.

Judges for the ride will be Frank Santos, Ed Caton, Dr. Bob Dullum, who will act as veterinarian, and Bill Hardy, who will aid as horseshoer. Dick Humphries of Concord will be trail master for the ride.

The junior group will award a $325 Olsen Nolte saddle for the benefit of a worthwhile children's public service.

Straw Hat Show Proves Popular

With capacity houses for the first week and heavy advance sales, the Strawhatters look forward to their most successful Lafayette season since the troupe's debut in 1947, Marjorie Variel, business manager, said this week.

"No Worse for Wear," the musical revue at Lafayette Town Hall, combines some of the troupe's favorite satirical targets (housewives, movies, ballet) with some brand new bullseyes (world travel and television).

Tickets for the nightly performances (except Sundays) are on sale at Richards Drug Store, Lafayette, and after 6 p. m. at the Town Hall box office, Lafayette 3506.

Two KPFA Discussions On 'Animal Behavior'

Two discussions on "Animal Behavior" will be broadcast next week over KPFA, with Dr. Joseph T. Lorber, Lafayette veterinarian, participating with Professors Benbow F. Ritchie and Lee W. Watkins and Dr. Gerson M. Rosenthal.

The first, at 8:15 a. m Monday, will be a rebroadcast of the program last night. The second will be given at 8 p. m. next Thursday and will be rebroadcast at 10:15 a. m. next Friday, July 11. KPFA is on 94.1 megacycles FM (FM Channel 231.)

Professor Ritchie, of the University of California at Berkeley, is an experimental psychologist working with rats. Professor Watkins, of the U. C. at Davis, experiments with honeybees. Dr. Rosenthal is a Berkeley microbiologist.

Air Force Seeks Legal Officers

The Air Force this week announced it is seeking experienced legal officers for duty with the Judge Advocate General's Department.

These officers are needed to supplement the ranks of legal officers now serving in the Air Force and to replace those who will soon complete tours of duty.

Reserve appointments are available in the graeds of Captain and First Lieutenant, qualifications for the latter being a diploma from an accredited law school, membership in the bar of a Federal Court or of the highest court in a state or territory of the United States, and an age limit of thirty-four years.

Requirements for a Captain's commission are the same as above plus four year's legal experience after admission to the bar and an age limit of forty years.

Condon Backers Plan Campaign

More than a hundred precinct leaders and Condon for Congress committee members met Sunday to map out Robert L. Condon's campaign.

Condon, winner of the Democratic nomination from the Sixth Congressional District which includes Contra Costa and Solano counties, has pledged that he will wage a fighting campaign against his Republican opponent.

The Condon for Congress committee said it plans a registration drive to last until September 11, closing date for registration for the general election.

Rummage Sale Ends As Great Success

Almost $250 was collected by the League of Jewish Women during its highly successful rummage sale in the old post office building in Concord last Friday and Saturday.

Serving on the committee headed by Mrs. Percy Cohn were Mesdames Berard Kaplan, Irvin Krumholtz, Henry Brodsky, Marvin Epstein, Al Peddler and F. Felton.

Workshop for Handicapped Planned

A sheltered workshop to provide employment to the physically handicapped of this area will be established in the near future by the Mt. Diablo Therapy Center.

It became clear, as the result of a meeting held recently at the center, that there is no limit to the number of handicapped individuals such a program would benefit.

Although there was wholehearted agreement that these facilities should be established, there was a wide difference of opinion in regard to establishment of certain policies connected with the workshop. Eligibility, subsidization and financing were among the chief problems mentioned.

SINCE EACH sheltered workshop, and there are many throughout America, is organized and administered differently, and the types of patients and work contract vary from shop to shop, only experience will determine if this type shop would need subsidization.

Until the actual physical setup is established and operating, it would be impossible to answer many questions that have and no doubt will arise, according to Carl J. Ross, executive director of the center.

William Barnes suggested that a small scale demonstration be initiated, experts consulted and the selection of employees begun.

IT WAS POINTED out that direct medical supervision should be available to relate the work therapy to physical and occupational therapy to insure the greatest result. Several doctors who were present offered to provide some direct medical supervision.

The shop's main duties will be to move the patient out into industry. Each case wishing to join the workshop will be given a complete medical examination ,tested psychometrically, vocationally diagnosed, and will be given a vocational objective.

Placement of rehabilitated workers will be handled by the rehabilitation officer from the Bureau of Vocation Rehabilitation.

About our happy Country Folks

By MADELYN BORDEN
Guest Columnist

BELIEVE ME, THIS IS DONE FOR LOVE, pure love!

Only the interests of Children's Hospital and a great appreciation of Edith Bolman's efforts could move anyone so inexperienced to such a task! But if Edith must be gone and the show must go on (or is that some other profession?) — well, anyway, be charitable, you won't have to go through this often.

ONE OF THE MOST INTERESTING PROJECTS now afoot in Orinda is that of the Norton family. They are establishing an importing business from Germany.

Barbara (Norton) Wilson went to Europe shortly after the war with a firm sent over to help reestablish the German textile industry. As a result of her work and the family's travels in Germany, they became interested in the lovely things being created there. From this has arisen a business.

Barbara is established in Frankfurt to do the buying, and Claire (Norton) Nelson, with help from Lester Hurd, is doing the marketing here.

Of the most interest to us in Orinda are the lovely handwoven woolens — just the sort of casual thing so suited to our way of lfie — jackets in lush colors that could be worn over anything from a cotton dress to a formal, skirts in entrancing colors and designs that are both sunfast and washables, as well as blouses, stoles and accessories.

Other imports include drapery fabrics, hand-etched Bavarian crystal, dolls and objects d'art. The Nortons are working on their own designs, which will be hand woven in wool — and one day soon in linens and cottons.

Wish we could all be doing something so interesting!

TOM RODGERS (Lieutenant Colonel) has just completed two weeks' active duty with the 6th Army at the Presidio of San Francisco, where he conducted a course on Military Intelligence for a group of Army, Air Force and Navy Reserve personnel.

Among the group attending classes were two other Orinda residents, Captain Jay M. Jacobus and Lieutenant Commander Clinton T. Halsted.

A weekend guest at the Rodgers' was Captain George P. Cuttino from Washington, D. C. A reserve officer on active duty, who in civilian life is professor of medieval history at Swarthmore College in Pennsylvania; and he's a very interesting guy with a Georgia accent.

DORIS AND JACK FRASER on an automobile trip through British Columbia recently had a most enjoyable time. They were quite impressed with the wonderful highways through the wildest country, where the scenery reminded them of the Alps and where they had only to step from the car to fish in clear mountain streams or stay at picturesque inns or dude ranches. They spent some time on Vancouver Island near Victoria, whence they went salmon fishing in the Sound with some success and no seasickness.

Visiting the Frasers this summer are Doris' sister, Mrs. Houghton Sawyer, and her two teen-age daughters, Diana and Nancy, from Honolulu.

The emphasis is quite musical around the Frasers' house these days, with Diana and Nancy teaching Jacqueline Fraser to play the ukulele. So it's 'Music, Music, Music" at all hours of the day and night.

NOW, LET'S SEE WHO ELSE HAS BEEN DOING WHAT —

Mary Ann and Ernie Kahl spent the weekend in Salinas recently with Ernie's sister, Mrs. John Storm, and attended the wedding of Marsha Birkholm at the Church of the Wayfarer in Carmel.

Jane York just returned from a visit with Ann Week (a former Orindan) on the Weeks' ranch near Calistoga, where the telephone probably did not ring all day and their pursuits were peaceful things like fishing and riding.

Evelyn Sonnie, formerly with our Orinda schools and much beloved by our children, is staying with the Kirk Miles for six weeks while attending University of California summer session. During this time her two children are going to a summer camp. Mrs. Sonnie is now supervising teacher for the kindergarten and primary grades of Stanislaus County.

The sponsors of Hill and Dale are hard at work on the program for next year — and are planning four dances instead of the usual three, two in the spring and two in the fall — the first to be September 26. More gaiety, more weariness for the members!

The Lloyd Rasmussens' trip to the Islands aftter an ignominous beginning (they were to sail on the Lurline) turned out gloriously with Hula lessons (what else does one do if it rains?) and a stay at the Royale and the Hona Ranch on Maui, where (and what could be nicer?) they met Orinda people, George and Margaret Hauerken and the Peter Isolas.

Joan (Woolsey) Adams and her husband will be returning to Orinda the end of July. Lawson will have completed his Navy officer's training course at Newport, R. I., and is expecting to be assigned duty on the Pacific Coast.

Weekend guets at Lid and Kirk Miles' were Kirk's sister, Mrs. Frank Capers, her husband, mother and three children, from Florida. They were on thir way home from a trip to Mexico. Highlight of the weekend was Sunday night supper, which, though it included only one family, neighbors and close friends, turned out to be a very large affair.

THE LESTER HURDS HAVE JUST COMPLETED a very attractive bath house for their pool and are now embarking on a project to glass in one side of their patio to protect the pool from the west wind.

Theirs is the home on top of the hill at the end of Ranch Road, with the sheep peacefully grazing on the hillside. These sheep are not just for pastoral effect, but serve a very useful purpose.

Before the war, the Hurds built an adorable small house on their 10 acre, which they planned for later possible use as a guest house. The war came along, and with Mr. Hurd in the Chemical Warfare Division and their son, Lester, in Europe with the Air Corps, they traveled about, but always with the dream of the little home to which they would return.

And then with the war's end and their home-coming imminent, came word that a brush fire had wiped out house, orchard and all.

Sooo — we come back to the sheep, the real answer to the weed-cutting problem (and who in our community does not have it? — answer, the Hurds)

At present counting there are seven, three of them lambs of this year. And they look so pretty doing all that useful work!

AND THEN THERE'S THE CASE OF THE "MISSING TROUSERS" or the "Switched Pants."

Carl Olsen of Lafayette, tall, blond and handsome, sometime during the spring sent his dinner clothes to the cleaners.

Fred Borden of Orinda, dark, handsome, but not quite so tall, did likewise.

When Carl tried to wear his outfit he immediately detected something wrong, the pants hit him above the ankle.

Fred, however, wore his and during the evening noticed that the pants were a little longer than seemed stylish. So he requested that they be taken to a tailor for alterations.

A month or so later an affair of some importance came up and Borden's dinner clothes again went to the cleaner. The next day Carl Olsen, friend and buisness associate, appeared in Fred's office, saying "So you're the so-and-so who has had my pants all this time. The cleaner just called to say he'd found them, they'd been sent by mistake to a guy in Orinda named Borden."

Being the only Borden in Orinda, what could Fred do — own up. "Carl, my man, you're in for a shock. If I had them, they've been changed — one inch cut off the bottom — one inch let out at the top!"

WELL, OTHERS MIGHT BE ABLE TO GO ON, but this reporter is "fini" — washed up. No ifs or buts, just plain defunct!

YOUNGEST EAGLE SCOUT in this area is 13-year-old Allen Sutton, son of Mr. and Mrs. Orvall Sutton of 16 Las Vegas, Orinda. Allen is a member of Boy Scout Troop 207. He was presented with his Eagle award at an Eagle Court of Troop 207 recently. He is shown here with his proud mother and father just after Mrs. Sutton gave the Eagle pin to him. The ceremony took place at Orinda Community Church. Sponsor of the troop is the Orinda Lions Club.

Hopi, Navajo Girls Visiting Orindans

As part of its program of intercultural exchange and understanding, the American Friends service Committee (Quakers) is sponsoring a visit of 15 children of the Navajo and Hopi Indian tribes from their reservations in Arizona for a two-week period in the Bay Area with local families.

Presently visiting in Orinda with the James Hupps of Vallecito Lane are two Hopi girls, Marjorie Puhuyaoma and Marilyn Lomauhie. With the Louis Amblers of El Toyonal is Dorothy Armenta, a Navajo girl.

WITH GREAT ENTHUSIASM the local families are showing their guests the ocean, the bay, the ferry boats, redwood trees and, of course, the great bridges.

It is hoped that the Indian children will in their two-week stay become acquainted with life in ordinary non-Indian homes, and so increase their understanding and liking for non-Indian Americans.

ALSO, IT IS hoped that the local children by their contact will begin friendship with a people and culture so different from their own, and that they will perhaps continue it for years to come.

The Everett Dempsters of El Toyonal two years ago participated in such a program by having as their guest a Hopi boy, Alph Sekokou. The Dempsters have just returned from the Hopi reservation where they visited with their former guest and his family.

Communion Rites At St. Stephen's

Communion Service will be conducted Sunday by the Rev. Dr. Charles W. Whiston, who will speak on "God Is Creator," at 8:45 a.m. for St. Stephen's Episcopal Church at the Orinda Community Church building.

Guest vocal soloist will be Stan Stidham, who appears for the third time during the summer vacation period when the choir does not meet as a group. Daniel Popovich of Orinda Community Church will be at the organ.

For those who have made inquiries, copies of Dr. Whiston's book, "Teach Us to Pray," one of the nation's best-selling works in the religious field, has been restocked at the Sather Gate Book Shop in Berkeley.

Dr. Whiston, in addition to being an author of note, is professor of moral theology at the Church Divinity School of the Pacific. Members of St. Stephen's consider themselves most fortunate that he has consented to conduct the morning family services in Orinda through the summer months.

The St. Stephen's Board of Directors has reluctantly accepted the resignation of Mrs. W. L. Rinehart, newly elected member. Mrs. Rinehart is leaving Orinda, together with her husband and two children, Sarah, 16, and John, 13. They are moving to San Jose as a result of a business transfer of Mr. Rinehart.

Downer Trial Starts Wednesday

Following rejection of the corporation's efforts to prevent trial, the Central Contra Costa Sanitary District's $60,000 suit against the Downer Corporation is scheduled for trial next Wednesday in Superior Court in Martinez.

The suit alleges defective work by the company in Local Improvement District 3 (central Lafayette). The firm's appeal, seeking to prohibit the district from trying its suit, was denied by the District Court of Appeals in San Francisco Tuesday. The opinion was rendered by Judge Nourse, the presiding judge.

John A. Nejedly, attorney for the Sanitary District, had argued in a 35-page answering brief that acceptance of the work by the district board, in ignorance of concealed defects, did not prevent recovery for those defects when discovered.

This is believed to be the first instance of institution of suit on a contract performed under the Improvement Act of 1911 for defects discovered after acceptance.

Attorney Eugene K. Sturgis of Oakland, representing Downer Corporation, had filed a 70-page appeal for a writ of prohibition.

Orinda Man Hits Enemy Billet in Korean Air Fight

In early morning strikes against enemy targets in North Korea, Lieutenant (jg) David J. Spowart, U.S.N., of 2 La Cresta Road, Orinda, clobbered a camouflaged Communist troop billet with a direct hit.

Spowart was flying a Skyraider, an attack bomber, from the aircraft carrier U.S.S. Boxer.

BOXER JETS LED the attack, which occurred June 21, making passes over enemy gun emplacements and running interference for the heavier Skyraiders. Corsair fighters followed the jets, attacking the spotted gun positions.

Then the Skyraiders dive-bombed the targets, saturating the area with heavy bombs.

SPOWART'S DIRECT hit was with a 1000-pounder.

All morning long planes from Task Force 77 pounded enemy targets ranging from troop and supply area south of Wonsan to gun positions and rail lines near Chongjin.

Bids Let for 2 Road Projects

Bids for two reconstruction projects for Orinda roads were let Tuesday by the Board of Supervisors.

J. H. McCosker, Inc., of Berkeley, on its low bid of $91,623.10, was awarded the contract for reconstruction of a portion of Camino Sobrante and all of La Espiral. Total length is 3.86 miles.

Gallagher and Burk of Oakland was given the contract for reconstruction of all of Glorietta Boulevard and a portion of Overhill Road, on its low bid of $39,364. Total length is about a mile and a half.

THERE WERE FIVE bids for the Camino Sobrante-La Espiral job, ranging to $102,257.50. Seven bids, ranging to $46,365, were submitted for the Glorietta-Overhill job.

On recommendation of Road Commissioner Victor Sauer, the supervisors accepted Monte Vista Road, in the El Toyonal section, into the county road system.

SAUER LATER explained that residents had brought the road up to required specifications, but that slide conditions caused by last winter's storms still had to be corrected. This $145,000 project is to be paid for by the county and the state, on a matching basis.

The state's share of $72,500 has been received, so the work can now proceed, Sauer said. It could not have been started earlier without jeopardizing the county's receipt of the state funds, he pointed out.

Korean Youth Due Here Monday

First sight of American soil for Kim, Yoong Joong, 16-year-old Korean boy coming to the United States for an education, will occur Monday, when he arrives in San Francisco on the President Wilson.

Kim is coming to the United States under the sponsorship of Mr. and Mrs. Victor Beauchamp of 54 Davis Road, as a memorial to their son, Victor, who was killed in Korea last October.

RECENT WORD from the Korean boy revealed that he flew from Pusan to Tokyo and then headed for Yokohama, where he boarded the Wilson.

When he arrives in America, Kim will stay at the home of Mr. and Mrs. Beauchamp while he attends McKinley Continuation School in Berkeley for a six-month period. He will then register in the high school of his choice, and if he desires, the Beauchamps will send him to college in America.

KIM IS COMING to America after much governmental red tape was overcome by the Beauchamps. He met Victor while in Korea and served as interpreter and stretcher-bearer for Victor's company. Shortly before his death, Victor wrote his parents, asking if an arrangement to send Kim to school in America would be possible.

Victor's request will be answered Monday when the President Wilson lands.

Pledge Fulfilled

Mrs. Phillip W. Faulconer of 2695 Kinney Drive, chairman of the Oakland-Eastbay chapter of the Scripps College alumnae association has announced that her organization fulfilled its pledge of $15,000 to the Hartley Burr Alexander chair of humanities.

Sheaff Concludes Year as Rotary Club President

Joseph L. Sheaff concluded his year as president of Orinda Rotary Club during the annual "Demotion Ceremony" held last Friday at Planters Dock in Lafayette.

Sheaff was dressed in the uniform of a youngster, complete with short pants, which was an almost symbolic gesture of his position with the school department. As Earl Cappel and Ramsay Underwood gave short talks about Sheaff and his time in office, the retiring leader had to write, "I'm an outgoing Rotary Club president" 2000 times.

Gifts given to other outgoing officers included a wallet for George Eberhart, who was treasurer, and a brief case for Fred Morrow, secretary.

Newly elected officers who began their administration at Wednesday's meeting include Leighton D. MacGregor, president; Fred Morrow, who remains as secretary; Tom Horton, treasurer; Fred Repp, Maynard P. Buehler, Robert Nordquist and Dr. Harvey B. Lyon Jr., directors.

At the meeting Wednesday, MacGregor gave an outline talk on the coming year's program. As he is a former Albany Rotary Club member, 16 members of the Albany Rotary Club came to the meeting to give MacGregor a good sendoff.

Mayor Laurance Cross of Berkeley will be guest speaker at next week's meeting. Cross, a clergyman, will talk on "A Minister in Politics."

The meeting will be held at Orinda Country Club, as was this week's, while the Willows is closed.

PTA Board Urges Protests Against Bar at Rick's

Added this week to the many protests to the application for an on-sale general liquor license for a detached bar planned for back of Rick's Drive Inn, near Acalanes High School, was that of the Vallecito P. T. A. board in Lafayette.

At a special meeting of the unit's executive board Monday morning at the home of Mrs. Dana Hamlin, president, on Crest Road in Hidden Valley, it was voted to state in the board records that the board opposes the application and urges parents to protest.

IT WAS EXPLAINED that the board, in the absence of authorization from the membership, could not formally file protest, but that it asked parents to file protests with J. W. Soares, in charge of the Oakland office of the State Board of Equalization, at his office at 2229 Grove Street.

The Vallecito P. T. A. board action followed formal protest by Neil M. Parsons, Acalanes High School District superintendent; Stanley W. Walgren, Acalanes High School principal; Mrs. Fred H. Knobel of Lafayette, the Acalanes Parents Club executive board, the Lafayette Improvement Association, the Mothers Club of Boy Scout Troop 204, Lafayette, and Scoutmaster Seth Blakeman of Troop 204.

THE APPLICATION is by A. R. Bliesner and Helen Groves, owners of Rick's Drive Inn, as general partners, and C. J. Garibotti, owner of the property, as limited partner.

The protests have delayed issuance of the license.

Year's Rainfall Heaviest Here In Five Years

Heaviest rainfall total for the Orinda area in the last five years was recorded during the weather year from July 1, 1951, through Monday.

During last weekend, .68 inches brought the 1951-52 total to 46.53 inches of rain. Last year's total was 38.24 inches.

It looks as if Mr. Weatherman has finally decided to let summer come our way. During the week of June 26 through Wednesday, the hottest temperature reported was on Wednesday, when the thermometer zoomed to 95 degrees. Coldest night of the week, 42 degrees, was reported for Monday.

Fraser Estate Totals $143,311

An estate valued at $143,311.80 was left by Charles Gladstone Fraser, who died April 17, according to an inventory filed Wednesday in the office of County Recorder Walter T. Paasch.

A part of the estate, totaling $99,228.60, was inherited at the death of Fraser's wife, Marie. This is bequeathed in his will to Geraldine E. Ballinger of 4 Sycamore Road and Adele Camille Patterson of San Francisco, two close friends of his wife. Each will receive half of this part of the property under the terms of the will.

Lily and Katy Fraser of Ontario, Canada, Fraser's sisters, will receive the residue of the will. Fraser left no children.

The will was executed in 1939.

Ralph Longo Gets One Year County Jail Sentence

Former Orinda Country Club golf professional Ralph Longo, 51, is out on $5000 cash bail pending appeal, after being sentenced to one year in the San Francisco County Jail Wednesday, according to the clerk in Judge Van Der Zee's San Francisco Superior Court. He was also given a suspended prison sentence.

Longo was acquitted of a narcotics charge but found guilty of attempting to bribe police officers. He was arrested August 28, along with Mrs. Nancy Canant in Mrs. Canant's apartment in San Francisco. Several thousand dollars' worth of heroin was seized in the apartment at the time of the arrest.

During the trial last month, Mrs. Canant stated several times she was completely guilty and that Longo was not involved. She later pleaded guilty to the narcotics possession charge, in an effort to aid the defense case for Longo.

Mrs. Canant revealed her source of heroin supply as a man named Fred Vieni in New York. Through her aid, agents made a narcotics "buy" from Vieni, which resulted in his arrest.

Longo was booked under the name of "Jones" at the time of his arrest because he felt "the publicity might hurt him."

Mrs. Canant, found guilty with Longo of offering a $25,000 bribe to raiding officers ,was sentenced to Tehachapi Prison.

Crosswalks 'In Next Few Days'

Painting of five crosswalks in the Crossroads area, marking of diagonal parking areas and placing of "No Parking" signs in the alleyway from Moraga Highway to Davis Road will be done by the county "in the next few days," County Road Commissioner Victor Sauer said yesterday.

These traffic-and-pedestrian aids were requested recently by the Orinda Chamber of Commerce. Sauer had asked the chamber to designate what improvements it desired in the section. The work follows completion of a $4000 plant-mix surfacing of Moraga Highway near the Crossroads.

Lutheran Church Sermon Announced

"Wouldn't this be a different world," asks Pastor Luther Berven of Our Savior's Lutheran Church in Lafayette, "if we were only as forgiving toward others as we are towards ourselves, as willing to make excuses for others as we are to make them for ourselves?"

In his sermon for Sunday morning, Pastor Berven will discuss the topic, "Taking a Good Look at Ourselves." He points out that in the first verses of Matthew 7, Jesus says: "Judge not, that you be not judged. For with the judgement you pronounce you will be judged, and the measure you give will be the measure you get."

Services are held each Sunday at 8 and 11 a.m. Jo Anne Gudenzopf will sing the solo, "This Is My Task," at the 11 a.m. service. At the Sunday School hour at 9:30 a.m., the missionary film, "Trailblazing in New Guinea," will be shown.

Methodist Church Regular Schedule During Summer

"Business as usual" will continue at Lafayette Community Methodist Church through the summer months.

In the absence of the pastor, Rev. Harry E. Shaner, on vacation with his family, Bishop George A. Miller will conduct two identical services each Sunday, one at 8 and the other at 11 a.m.

There will be full ritual at both services. Mr. Hardy, well-known musical director and organist, will direct the early service, and Mrs. George Shoptaugh will play at 11 o'clock.

"Religion of the Common Man" will serve as discussion theme at both services this Sunday. Small children are cared for by expert supervision during the later service.

Vacation Church School Set to Start July 14

A Vacation Church School will be held at Lafayette Community Methodist Church starting Monday, July 14, and continuing for two weeks. Hours will be from 9:30 to 11:30 a.m.

The school will be under the direction of Annis Quinn from the College of the Pacific in Stockton. The mothers will help and will be in charge of the various departments.

Any child who will enter public school kindergarten this fall and up through the ninth grade is invited to attend the Vacation Church School.

There will be a program of religious education, through songs, stories, play and projects.

The school is sponsored by the Board of Education and the Woman's Society of Christian Service of the church.

Helen Shank Again Head of Legion Auxiliary

Helen Shank was reelected president of Lafayette American Legion Auxiliary Unit 517 Wednesday night at Veterans Memorial Building.

Other officers chosen include Delma Reick, first vice-president; Edna Collins, second vice-president; Dorothy Buchanan, secretary; Hope Steward, treasurer; Evelyn Baker, chaplain; Selma Cohn, historian; Beatrice Eckwall, Aretta Hughes and Marjorie Howard, executive committeewomen.

Elected as delegates to the annual state convention, set for Fresno the first week in August were Helen Shank, Harriet Kittredge and Marjorie Howard. Ynez Long, Helen Gustafson and Selma Cohn were elected as alternates.

Joint installation ceremonies with American Legion Post 517 will be held July 16.

Several Fires in Lafayette Area

Several fires were reported in the Lafayette area during the past week by Fire Chief Shirley Peakes.

The gasoline tank of a car driven by Paul Nordend of 2139 Whyte Park, Walnut Creek, burst into flames following a rear-end crash early Saturday on Mt. Diablo Boulevard near Carol Lane. D. L. Christen of Martinez, driver of the auto that crashed into Nordend, was slightly injured, and was taken to Herrick Hospital, according to the California Highway Patrol.

Another auto fire was reported when a blanket inside a pickup truck parked near Mt. Diablo Boulevard and Hiden Valley Road caught fire last Saturday. No damage to the truck was reported.

Youngsters playing with matches caused two grass fires June 26. One was at Topper Lane, the other on North Road.

A furnace fire in the home of Mrs. Simmons of Powell Drive occurred on Monday. Only damage reported was to the furnace.

County Approves Church Expansion

Lafayette Community Methodist Church was granted a land use permit by the Board of Supervisors Tuesday for expansion of its facilities on Moraga Road. The request had been favorably recommended by the Planning Commission.

The church's 10-year expansion program includes plans for a new sanctuary, new social hall and two-story classroom structure on church property fronting some 220 feet along the west side of Moraga Road.

Marchant Construction Company was given an O. K. for a five-foot side yard on one side of lot 35, Valley View Estates. The lot is on the west side of Laurel Drive.

The board denied Howard Foulds' request for permission to construct eight duplexes back of Rick's Drive Inn, in an R-A zone.

LEGAL NOTICE

NOTICE OF SECOND PUBLIC HEARING OF THE CONTRA COSTA COUNTY PLANNING COMMISSION OF THE STATE OF CALIFORNIA ON THEIR HEARING OF THE PRECISE LAND USE MASTER PLAN FOR CERTAIN PORTIONS OF THE UNINCORPORATED TERRITORY BEING GENERALLY THE CANYON SCHOOL DISTRICT, CONTRA COSTA COUNTY, CALIFORNIA.

NOTICE IS HEREBY GIVEN that the second public hearing on the Precise Land Use Plan for a portion of the uincorporated territory of the County of Contra Costa, State of California, has been set by the Contra Costa County Planning Commission, and said hearing will be held at the hour of 7:30 P. M., Tuesday, July 15, 1952, before the Contra Costa County Planning Commission in Room 210, Hall of Records, Martinez, Contra Costa County, California. Said hearing is the second of two public hearings required by law for the precise zoning of the lands hereinafter mentioned and as provided under the Conservation and Planning Law.

ALL PERSONS ARE HEREBY FURTHER NOTIFIED, that this is the second public hearing and which said hearing may conclude the hearings before the Planning Commission prior to presentation of the Precise Plan to the Board of Supervisors of Contra Costa County. If this hearing concludes the hearings by the Planning Commission, it will then be presented to the Board subsequent to the above date of this second hearing.

YOU ARE FURTHER NOTIFIED, that the portion of the unincorporated territory for the proposed section of the Precise Land Use Plan is for certain portions of the unincorporated territory being generally the Canyon School District. Said unincorporated territory is more exactly described as follows, to-wit:

All that certain real property situated in the State of California, County of Contra Costa, described as follows:

Being all that unincorporated territory in the County of Contra Costa, State of California, known as the Canyon School District.

And in addition thereto, the following described territory, which is a portion of the Moraga School District, being more particularly described as follows, to-wit:

Beginning at a point, said point being the northeast corner of Lot 270 of "Map of Sectionization of a Part of Rancho Laguna de Los Palos Colorados" recorded in Map Book 15 at Page 308, said point also being the southeast corner of the Orinda Union School District; thence southerly along the eastern boundary line of Lots 270, 294, 297, 318 and 319 of said "Map of Sectionization of a Part of Rancho Laguna de Los Palos Colorados' 'to a point on the southwestern boundary line of Rancho Laguna de Los Palos Colorados, said point being the southeast corner of Lot 319 of said "Map of Sectionization of a Part of Rancho Laguna de Los Palos Colorados"; thence southerly on a line projected from said eastern boundary line of Lots 270, 294, 297, 318 and 319 of "Map of Sectionization of a Part of Rancho Laguna de Los Palos Colorados" 1700 feet more or less to a point on the southwestern boundary line of the Moraga School District; thence along said Moraga School District boundary line northwesterly, northerly, northwesterly, northerly and easterly to the point of beginning.

Saving and excepting therefrom all lands heretofore zoned comprehensively under Ordinance No. 382.

Said hearing will be conducted under the basis of the precise land use plan for the above described territory and indicated on the following map which will be known as "The Districts Map For The Canyon Area, Contra Costa County, California, Insert Map No. 42." The above mentioned map will hereafter become an additional subsection and amendment of the Precise Zoning Ordinance No. 382, of the County of Contra Costa, State of California. The above mentioned map presented at said hearing will indicate thereon the proposed zoning for the above described unincorporated territory being as of this date prepared and on file in the office of the County Planning Commission at 1122 Escobar Street, Martinez, California, and as of this date indicating thereon said proposed land use districts as now are incorporated or are to be incorporated in Ordinance No. 382 as adopted and as of the findings prepared thereon for amendments thereto.

This notice has been prepared subsequent to preparation of the calendar for the Contra Costa County Planning Commission for the month of June ,1952, by the County Planning Technician.

Softball, Hardball—Both Excellent, But Different Skills Needed in Each

By ERWIN MATTSON

I SEE WHERE WALNUT CREEK has started a softball league for the younger ball players, using a 10-inch softball and overhand pitching — a step nearer hardball.

The game is played on a regulation softball diamond and makes for fast action, with shorter bases to run and easier throwing distances than would be the case on a hardball field with its 90-foot bases.

Many have asked from time to time how softball affects a player in regard to playing hardball.

The most difficult phase of changing from one game to the other appears to be in hitting

The weight of the bat and the swing are entirely different. A player may be tops in one game with the bat and find that he he does very poorly in the other. Pitching distance, size of the ball and bat, and the type of swing make for many varying factors that prove to be obstacles difficult to overcome in switching from one game to the other.

One other phase of baseball which is lost in softball is that of baserunning. Players can't lead off the base until the ball has left the pitcher's hand, and the pitcher's pickoff is non-existent.

THE FACT REMAINS that both are excellent games and wonderful forms of recreation.

Softball is a faster game and enables more ball to be played in a given period of time.

The player who wants to be tops should concentrate on one or the other if he is to achieve maximum results.

THIS WEEKEND WILL DETERMINE the fate of Barbara Stark as far as a berth on the Olympic swimming team is concerned.

Barbara startled the sports world when, as a 14-year-old Acalanes freshman, she copped the women's national 200-yard backstroke title.

Competition will be keen, and breaks such as a poor start or faulty turn can play an important part in success or defeat.

Barbara has worked long and hard, and if wishing her good luck is any help, she will have lots of it from her many, many friends.

MUCH DISCUSSION has taken place regarding the relative merits of radio and television.

In some instances, such as the recent Sugar Ray-Joey Maxim fight, it certainly was an advantage to hear it over the radio.

The announcer made it a slam-bang affair and gave the listener the idea that it was a top-notch match.

Motion pictures and later news writeups gave evidence that it was anything but fast action and that the heat did more damage than any of the blows landed during the melee.

Broadcasts of events on film via television can often be made much more exciting than the original by means of careful editing.

One sport which holds up well on T.V. is wrestling and I use the term "wrestling" with my tongue in my cheek.

Wrestling in many ways has replaced vaudeville, and it's a matter of fact that few of today's performers know a half-Nelson from a stepover toehold.

The fact remains that it provides lots of "action," and that is what the fans want and like, with the end result that it has become one of televisions' top program pleasers.

Hi Hennings Tops Orinda Golf Invitational

By trimming two strokes off par for a 70, Hi Hennings led 122 golfers who competed in the qualifying round of the Orinda Country Club's 22nd annual Fourth of July Invitational Championship last Saturday.

Hennings, an Orinda golfer, was a stroke ahead of his nearest rival when he finished. He played the incoming side in 33 shots, three under par, after going out in one over par, 37.

Tied for second place with 71's were Frank McCann, who recently won the Orinda Club title, and John Jory of the Sequoyah Country Club. McCann scored a 35-36-71, while Jory had a 33-38-71.

Lake Chabot champion, Al Reale, turned in an even par of 37-35-72.

Bobby Roos and George Gnau, both of San Francisco, tied at 74.

Gene Brown, runner-up of this year's Alameda Commuters' tourney, tallied a 78.

Hard Top Races Feature Rivals

Two old rivals will be clashing when the BCRA hard tops return to Contra Costa Stadium Friday night for another 11 event program of bumper-banging and fender-smashing action.

Keith Willis of Hayward and Cliff Roberts of Oakland are both after top spot in the main event. Willis copped the feature last week, passing Roberts in point standings on the Pacheco oval.

The number on their cars tell the story of their rivalry. Roberts' Dodge carries the championship number 1, while Willis' Ford bears runnerup number 2.

The Fourth of July races are expected to be highlighted by some fireworks furnished by Lee Humphers. Last week the "El Sobrante Comet" was spun out by Rae Roberts and rammed by Cliff Roberts.

Time trials comemnce at 7 p.m. with the first heat race rolling at 8:15 p.m.

Bay Cities Racing Association hard-top drivers will return to Contra Costa Stadium tonight to resume their battle for the P-X Markets trophy on the quarter mile oval.

Art Group Plans Swim Pool Tour

Mrs. John M. Ellis, ways and means chairman of Outdoor Art Shows, Inc., has announced that a swimming pool tour and buffet supper party is being arranged by the Artists Market volunteers for Sunday afternoon, August 3.

This latest affair will offer the use of numerous pools in Orinda, Lafayette and Walnut Creek, from 2 to 6 p. m., to be followed by a buffet supper in the evening. Mrs. Ray Garrett and Mrs. Anita Gordon are assisting Mrs. Ellis with the arrangements, completed at a meeting held at the market, 1045 Stuart Street, Lafayette, last Friday.

Present at the meeting were Mesdames L. J. Cunningham, Ray Garrett, C. M. Busby, Clark Lentz, John Klass, John Ellis and Philip Merril.

AMONG POOLS selected for the tour are those of Mr. and Mrs. Henry J. Kaiser, Dr. and Mrs. Jack A. Abbott, Dr. and Mrs. John M. Ellis, Mr. and Mrs. Richard Perrin Graves, Mr. and Mrrs. V. Jelton and Mr. and Mrs. Jack Noble.

The tour will include a visit to the market for refreshments and a guide to the pools. Mildred Rackley Simon, silk screen printer of Orinda, has designed the map which will be distributetd to all ticket-holders August 3.

Tickets will again be limited and available only between July 10 and 24. Members of the committee include Mrs. Clark Lentz, Walnut Creek; Mrs. Irving C. Roemer, Lafayette; Mrs. Carl J. Knecht, Danville and Alamo; Mrs. Betty Campbell, Concord, and Mrs. George Clifford, Orinda.

TICKETS WILL ALSO be available at the market on Thursday and Friday afternoons following July 10 and may be obtained from members of the Outdoor Art Shows, Inc., Board of Directors.

Assisting with arrangements for the swimming tour will also be Mrs. K. C. Herrick, Mrs. Douglas Kilbourn and Dorothy Moore Brown, chairman of the Artists Market.

Proceeds will go towards the Market and to the fund for the Fourth Annual Art Fair, scheduled for September 5, 6, 7 and 8 in Walnut Creek.

3-Year-Old Boy Breaks Leg on Lawn at Home

Darvin DeSazer, two-and-a-half-year-old son of Mr. and Mrs. Dick DeSazer of Gregory Gardens, broke his leg in a freak accident which occurred while he was running across his garden lawn trying to fill an empty bag with air last week.

The youngster received a three-inch twisting break of his right leg above his knee.

Darvin will be in the Children's Hospital, Oakland, for a period of five weeks, with both his legs strapped in traction. When he is released from the hospital ,he will have to have a cast on his right leg for 10 weeks.

Many Residents Must 'Like Ike'

Some 5172 residents of this area signed their name to petitions which announced their approval of General Eisenhower for President during a three-week drive which concluded last Saturday.

"This reveals that a tremendous percentage of the voters in this county certainly must 'Like Ike'," Paul Ammen, chairman for the Contra Costa County of the Eisenhower Volunteer Committee, announced.

The signed petitions have been put together with others which were signed all over the state, and are now on their way east to the Republican National Convention which opens Monday in Chicago.

Barbara Stark Begins Olympic Trials Today

Barbara Stark, 14, daughter if Mr. and Mrs. R. A. Stark of 555 Manzanita Drive, Orinda, will start to compete this afternoon in the Women's Olympic swimming trials in Indianapolis.

Barbara flew to Indiapolis last week, accompanied by Laura Belle Bookstaver, coach of the Berkeley City Club, which Barbara represents.

Barbara will aim for the backstroke title. She has been rapidly rounding back into condition following a recent physical setback. Barbara scored a sensational swimming triumph at the East Bay Metropolitan swimming championships and the Daytona Beach, Florida competition, where she established a new 200-yard backstroke record last April.

An Acalanes High School sophomore, Barbara will be 15 years old Sunday, the last day of the Olympic trials.

Masonic Club Confers Degrees

Alamo Lodge. F.&A.M., of Walnut Creek was the setting for three First Degrees conferred by the visiting Acalanes Masonic Club Degree Team of Lafayette on June 24.

Ralph Anderson, Inspector for the 360th Masonic District, and Paul Ruff, Ritualistic Coach of Alamo Lodge and Officers' Coach of the Acalanes Degree Team, were among those present, as were a large group of the area's Masons. Visitors also included many members of Bay Area lodges.

Harold Pauli, Worshipful Master-designate of the Acalanes Club, led the work. Fred Champion, Worshipful Master of Alamo Lodge, hosted the gathering.

Local Schools Get Additional Funds

Schools in this area have been apportioned $56,126.97 more from the state because of the increase in attendance this spring compared to last year.

County Superintendent B. O. Wilson said schools within the county got $323,125,95 in excess of their basic apportionments from the state.

Contra Costa County received the eighth largest amount of the $8,140,-468 disbursed in California.

Walnut Creek got $24,820.19; Lafayette, $20,199.07, and Acalanes High School, $11,107.71.

Mt. Diablo Unified District got the largest apportionment for elementary grade growth, $108,436.66, representing 1600 additional attendance.

Richmond was high among high schools with $27,533.51, representing 385 additional attendance.

Woodminster Ready For Summer Season

Concord Legion Trims Lafayette Team by 5 to 3

The Concord Legion nine posted a 5-3 win over the Lafayette club last Saturday afternoon in a game that saw the winners jump to an early lead and never relinquish it as the Lafayette team failed to hit in the clutches.

Concord's big inning came in the fourth frame, when they collected three runs on two hits. They added run number 4 in the fifth frame when Ray Crabaugh walked, stole second and scored on Gil Torres' single.

Concord's final tally came in the eighth when Tom McKean singled, went to third on Bob Lee's safety an drambled home on Bob Jordan's single.

LAFAYETTE HAD difficulty scoring until the final inning, when they racked up three runs after two were down with no one on base.

Dale Isaacs started the inning by flying out to right field, and John Conley went down via the strike-out route.

Big Andy Monsen hit a single, and two were on when Roy Landrum threw low to first on Warner Johnson's drive to shortstop. The bases were loaded when Gary Gudnason walked.

MONSEN SCORED when Landrum bobbled another chance off the bat of Bob Barrett, and the bases were full as Bob reached first safely.

Red Jones was next at the plate and responded with a timely single which scored Johnson and Gudnason ,to breing the score to 5-3.

That's the way it ended when Bob Dwight hit a hard line drive down first base, only to have the first baseman make a one-handed catch good for out number 3.

Condon Asks Probe Of Apricot Canners

Assemblyman Robert L. Condon has called for an investigation of apricot canners for possible violation of California's anti-trust laws.

In a letter to Attorney General Edmund G. Brown, Condon stated that the canners are offering growers the identical price of $75 per ton this year as contrasted with the $110 a ton offered last year, despite the fact that there is no appreciable difference in the size of the two crops. He asked Brown to make an investigation.

New Identical Twins In Ice Follies Cast

Another set of identical twins arrived from Minneapolis recently to join the Shipstads and Johnson Ice Follies troupe, now playing at Winterland, San Francisco. The show which has for years featured the famous Scotvolds now boasts two more identical skating girls in 17-year-old Joanne and Sally Keogh, statuesque brunettes.

PUC Experts Ask Smaller Revenue Than PG&E Seeks

Staff experts of the California Public Utilities Commission, in recent hearings contended that Pacific Gas and Electric Company needs far less than the $37,486,000 annual increase in electric division gross revenue for which it has applied.

The studies presented by engineers, research and financial experts of the commission staff in hearings before Commissioner Harold P. Huls in San Francisco may save customers of the PG&E electric division more than $10,000,000 annually by reducing the amount the company officials testified was necessary to enable the firm to earn a "fair and reasonable" rate of return on its investment.

TWENTY-SEVEN DAYS of public hearings had been heard up to this week Additiional hearings were scheduled for this week.

A $4,000,000 annual saving for the more than one millian customers in Northern California is calculated as the practical result of the proposal by the commissioin staff of a change in the method of accumulating reserve funds for depreciation of property. The new method was agreed to by the company and now is subject to formal approval by the commission.

IN ADDITION, the commission staff differed on other figures in the rate base, operational expenses and revenues which totaled $6,000,-000 in possible reductions of gross revenue sufficient to produce a "fair and reasonable return" for the company, as required by the Public Utilities Code.

Staff experts testified that based on their estimated 1952 results, the company's proposed increase of $37,486,000 on a full-year basis would yield a rate of return if 6.3 per cent. They testified that an increase of $30,799,000 would produce a 6 per cent return and $9,522,000 would yield a 5 per cent rate of return on property devoted to public service.

Jewish Women Planning Party

Beautiful Turtle Rock Ranch, on the slopes of Mt. Diablo, will be the setting for a barbecue and swimming party to be given by the League of Jewish Women on August 3, according to Mrs. Lewis Rapport, president.

Tentative plans include an aquacade by members of the Oakland Centennial Water Follies, which will highlight the afternoon's entertainment planned by Mrs. Arthur Scharlack, social chairman.

Working with Mrs. Scharlack in arranging details are Mesdames Gerald Hoytt, Robert Robinson, Hy Wiseman, David Zuckerman, Henry DeLugach and Harry Delmont.

County School Costs Below Average School's Publication Indicates

Contra Costa County school costs in 1950-51 were lower than the general state total and below those of neighboring counties, according to an analysis of expenditures in "California Schools," publication of the State Department of Education.

For all grades, cost per unit of average daily attendance — comparable to expenditure per child — was $233.72. The state total was $253.88, while the figures for Alameda and San Francisco Counties were $243.23 and $324.43, respectively.

CONTRA COSTA'S average daily attendance for all grades from kindergarten through junior college was 60,864.

A breakdown of figures shows that educational costs in most categories were below the state total, as follows:

	Contra Costa County	State Totals
Elementary	$181.96	$202.81
High School	316.86	337.80
Unified (Kindergarten-12th)	220.77	265.87

COUNTY SUPERINTENDENT B. O. Wilson commented that these figures partly reflect such undesirable features as double session and overcrowded classes, which are necessary because of the school housing shortage in the areas of greatest population growth.

"However, the record for Contra Costa County is also a clear indication of economy of operation and is a credit to our school districts," Wilson declared.

Nine Initiated into Alpha Epsilon Unit

Alpha Epsilon chapter of the Phi Epsilon Phi sorority initiated nine new members into its group last week at the Casa Orinda.

A dinner preceded the initiation ceremonies.

At that time, the unit's president introduced the guests, Miss Lillian Shengel, past national president, Miss Mabel Wardwell, present national treasurer, and Mrs. Frances Wyatt, past national president, who is a member of the local group.

Taking part in the candle light ceremony were Mrs. Wyatt as installing officer, Mrs. Thomas Snow, marshall, and symbols included Mesdames Joe Navone, Jack Dennis and Robert Turner.

New members are Mesdames Van Barber, Kenneth Deichler, Carlton Doke, Arthur Fleuti, Deno Lenzi, Donald Ortland, Richard Pena, Kenneth Rambo and Daniel Stucki.

Members attending included Mesdames Dick Werner, president, Jack Dennis, John Hower, Lee Krebs, Joe Navone, Gordon Noleroth, Norman Smith, Thomas Snow, Robert Turner, Francis Wyatt, and Donald Robinson.

The ceremony was concluded with a prayer by the chaplain, Mrs. Norman Smith, and the singing of the sister song.

'The Moon Is Blue' Opens Tuesday Night

The merry comedy, "The Moon Is Blue," comes to the United Nations (formerly Alcazar) Theater, San Francisco, for a limited engagement beginning Tuesday evening. There will be a matinee performance next Thursday afternoon and every Saturday afternoon during the engagement.

For the Pacific Coast proudction the producers have assembled an all-star cast including David Niven, Diana Lynn and Scott Brady.

Teachers Hold CD Conference

The first civil defense conference for teachers organized by the federal government was held at the Western Training School, St. Mary's College, this week.

Administrators and teachers from many western states were brought together for a thorough discussion of civil defense and disaster problems on Monday, Tuesday and Wednesday. Faculty members of the Western Training School, representatives of the California State Civil Defense organization and educators from California and other western states acted as conference leaders during the gathering.

Students Return From Conference

Ann Kalbfleisch, Sally Pat Freedman and Sally Pedder, three Acalanes sophomore students, returned Sunday from attending the High School Institute of International Relations at Lake Tahoe.

The institute was sponsored by the American Friends Society, and high school students from all over California attended. Discussions of world problems, such as freedom, peace and food, highlighted the week-long meeting.

Taxpayers' Association Questions Junior College Tentative Budget

A number of suggestions have been made concerning the Contra Costa Junior College tentative budget by William R. Zion, research director of the Contra Costa Taxpayers' Association.

In a letter to Drummond J. McCunn, superintendent of the Contra Costa Junior College District, Zion lists 16 points connected with the budget.

"OUR ORGANIZATION is desirous that the junior college tax rate be determined by what is needed to carry an adequate program, rather than by what the legal maximum happens to be," Zion stated. The executive committee of the association is prepared to discuss the Junior College budget with the school board in the offices of the Taxpayers' at any time, he pointed out.

One of the main problems connected with the budget, according to Zion, is that the budget gives no estimate of student enrollment.

QUESTIONS ASKED by Zion include:

Is there justification for classes of enrollment with less than 10 or 15 students, if such classes exist?

Is there justification for classes where the per pupil cost is extremely high?

Has the value of the item "education conferences" been compared to cost?

"AN APPARENT inconsistency" pointed to by Zion concerns "Transportation Special Trips."

"For the East Campus, classified salaries increase from $500 to $750, and operation of buses increases from $200 to $750," he states. "At the same time, on the West Campus, classified salaries remain the same, while operation of buses increases from $200 to $1470."

1952-53 Grand Jury Sworn In For New Term

Judge Homer W. Patterson of the Contra Costa Superior Court late Monday appointed Jesse B. Turner, retired executive of the Giant Powder Company, as new foreman of the County Grand Jury for the year, 1952-53.

The new jury was sworn in within an hour of the time the last county inquisitorial body was discharged by Superior Judge Harold Jacoby.

Fred Mann, real estate operator in Richmond, was appointed by the Grand Jury as Secretary for the new term.

Other members of the Grand Jury are:

Lafayette: Edward Larmer, Woodland Way, Route 3, Box 40.

Concord: Crane Walden, 1531 Lucky Drive.

Danville: T. O. Edwards, Diablo Road.

Richmond: Charles Ceridono, Frank Genzel, Bernice Cooper, Ethel Bernier, Frank M. Casey and Claire M. Schmidt.

El Cerrito: Arthur C. Rogers, Elois H. MacMillan and Harry Bossi Sr.

Antioch: Albert W. Flaherty.

Crockett: Charles Yates.

200 at Closing Exercises Held For Bible School

Closing exercises of the Daily Vacation Bible School were held at the Govenant Church on June 26, with Harry Hubbling acting as chairman. About 200 guests were present, including the children. A program of class activities from the various departments was presented, and demonstrations of hand work and lesson manuals were on display.

Hubbling was the principal in charge of the two-week session of the Vacation Bible School. Those assisting him on the teaching staff were Mrs. Hubbling, Mrs. Ed Peterson, Mrs. Heltman, Mrs. Bergesen, Mrs. Custer, Mrs. Lesh, Mrs. Mathis, Mrs. Knowlton, Mrs. Lotter, Mrs. Johnson of Berkeley, Marilyn Peterson, Charlene McNutt, Dick Lotter, Janet Heltman, Carolyn Peterson and Rev. Joel S. Peterson. Mrs. Wood was in charge of the nursery.

The number of children enrolled was 109.

Regular church activities will continue through the vacation months of the summer — Sunday Bible School at 9:45 a.m., morning worship at 11, and the evening service at 7. Cottage prayer meetings are held Wednesday eevnings at 8.

This Sunday morning the pastor, Rev. Peterson, will speak on the subject, "What We Owe," an Independence Day message. In the evening he will discuss the subject, "Expendable for Christ."

Piano Wanted For Army Hospital

Members of Gregory Gardens community, who successfully sponsored "Operation Houseparty" for 25 patients at Camp Stoneman Hospital recently, are now in search of a piano for the hospital, Mrs. Charles J. Busso, chairman of the affair, announced.

The $100 that was collected in order to charter a plane for the patients was left over when F. Stanley Dollar donated his private aircraft .This money will now go toward the purchasing of a piano for the hospital.

Mrs. Busso may be reached at Concord 2469.

Funds for Schools Urged by Parent Teacher Council

A proposed special session of the State Legislature to consider school building funds has received approval of the Mt. Diablo Council of Parents and Teachers.

The council urged every effort be made by citizens of this area to help alleviate critical school housing conditions.

With ever-increasing state school enrollment, particularly in central Contra Costa county, already surmountable tax rates placed by voters on themselves, more state aid must be forthcoming, said Ferd J. Kiesel, council legislative chairman and assistant superintendent of Mt. Diablo Unified School District.

At a recent meeting of the council, the following chairmen-at-large were ratified:

Mrs. Carl Meinecke, attainments; Dtn Waite and John Courtney, men's membership; Mrs. Robert J. Rutherford, membership and honorary life membership; Mrs. Alice Woods, magazines, publications and emblems.

Ferd J. Kiesel, legislation and citizenship; Mrs. John M. Moiso, school education; Mrs. Jerome Harmacek, music; Joe Hauner, student welfare; Mrs. Jack Glass, juvenile protection; Mrs. Frank Young, exceptional child.

Mrs. Harry A. Brown, civil defense; Mrs. Orlando Lamont, parent education; Mrs. L. R. Linderfelter, parent education co-chairman; Mrs. William Burnham, international relations; Mrs. Thomas Coakley, international relations co-chairman.

Mrs. H. T. Hamby, radio and motion pictures; Mrs. W. H. Wilson, religious character and education; Mrs. Ruth Prewett, child health and public health; Mark McKimmey, mental health; Mrs. George Maxon and E. W. Caswell, mental health co-chairmen.

William Zufall, well baby conference; Mrs. Joseph Conner, recreation; Mrs. Fred V. Wilson, safety; Mrs. Leslie Lopez, program service; Mrs. M. S. McNamara, hospitality; Mesdames Warren Ronneberg, Ray S. Taylor and Lawrence Green, hospitality co-chairmen.

Mrs. Hans Knoch, councilette; Mrs. H. B. Keating, finance and budget, and installation; Mrs. Chris Sturm, registrar; Mrs. Elliott Mauzy, chairman-at-large and founders day.

Mrs. H. F. Neller, president, said the next meeting of the council will be the annual school of instruction September 12 in Martinez.

Can't Transfer School Library Next Fiscal Year

Because of lack of space, transfer of the school library from the administration of the County Library to that of the County Department of Education will not be possible in 1952-53, County Superintendent B. O. Wilson stated recently.

Wilson said that a conference with County Administrator D. M. Teeter indicated no county office space is available for housing the school library with other services rendered by the education department.

Transfer of the school library was recommended by the County Board of Education and Jessie Lea, county librarian, on the basis that the service is closely allied with others performed already by the school department. Wilson said. Also, under operation by the school department, any funds remaining after administrative costs could be used to purchase books for the contributing school district, whereas at present such funds are pooled for book purchases, a factor to which individual school districts have objected.

The superintendent said that Miss Lea has urged the transfer be made but is willing to continue school

Straw Hat Plays For Fashion Group

A special performance of the Straw Hat Theater's new revue, "No Worse for Wear," sponsored by the San Francisco Regional Chapter of Fashion Group, Inc., was held Wednesday night at Lafayette Town Hall.

Many no-host dinner parties preceded the evening benefit performance. They included one given by Dr. and Mrs. Roland H. Brown of Orinda. Mr. and Mrs. Elliot J. Hartman of Lafayette and Mrs. George Hauer of Orinda attended a party given by Mr. and Mrs. Frederick C. Moor of San Francisco.

The Fashion Group is a national, non-commercial association of women engaged in fashion work, formed to advance the principles of applied art in industry and to foster good taste in fashion.

2 Families 'Adopt' 4-Year-Old Greek Girl

By IANN HASTINGS

The Ross Reagans of 1022 El Curtola Boulevard, Walnut Creek, and the E. W. Mattsons of 1014 Thompson Road, Lafayette, have "adopted" a four-year-old Greek girl, Georgia Nikopoulou, through the Foster Parents' Plan for War Children.

The "adoption" was promoted through the two local couples' reading about the plan and seeing pictures of Europe's war-ravaged children in national magaines.

Mrs. LuRene Mattson brought the tragic stories closer to home by describing her experiences while traveling through Greece during a recent European trip.

SEEING GREECE'S poverty made Mrs. Mattson more conscious of these children's need. Mrs. Mattson felt Greece was a "more needy area." Mattson and Reagan are on the faculty at Acalanes High School.

The Reagans and Mattsons both have children near the age of the Greek child and felt they could send suitable clothing to her and also stimulate the interest of their own children toward this Greek war orphan.

"Adoption" of these children is financial, not legal. The Foster Parent merely promises to contribute monthly toward the child's support for at least a year.

In return, the foster parent receives a photograph and brief history of the child. Correspondence through the Plan office is encouraged, since the children need the feeling of belonging to someone.

GEORGIA WAS BORN in the village of Voutiro, where her father was a priest of the Greek Orthodox Church. This area was looted and burned by the retreating Germans and later by the rebel forces. Georgia's father was one of many who lost his life in the tragic fighting.

The family fled to Karpensiis. After months of uncertainty and moving from place to place, they finally returned to their native village only to find that their home had been destroyed. They were given shelter by a relative and are still living there, in one room — the mother, Georgia, her two sister's, Konstantia, 16, and Katina, 13, A brother, Alexandros, 11, has been placed in an orphanage, as it was impossible for the mother to care for him.

Georgia's mother owns a bit of land which she cultivates with the help of the two girls. The little she can raise is consumed by the family. There is no other income, as she receives no pension.

RELATIVES SOMETIMES give them food and worn-out clothing. That is all they can do, as none of them have more than enough for themselves. Georgia's shoes were a gift from a relative. The mother's feet are wrapped in sheepskin.

Through the Reagans' and Mattsons' generosity as Foster Parents, Georgia is now assured of the nourishing food and clothing she needs, as well as any necessary medical care. Of equal importance is their gift of friendship to this little girl whose short life has been filled with insecurity and misery.

Now celebrating its 15 anniversary, Foster Parents' Plan has cared for more than 70,000 European War Children. It is now operating in Belgium, England, France, Greece, Holland and Italy.

Behind Peal of Bells of St. Mary's . . .

More and more people are becoming bell conscious since many towns and cities are ringing their bells on Saturday evening, indicating the end of the week and proclaiming that the next day is the Sabbath.

That faint but lovely sound that comes rolling over the hills now and then, and can be heard in Lafayette Valley, belongs to St. Mary's College. Here is the story behind "The Bells of St. Mary's."

BELLS FOR St. Mary's College became a reality in October, 1949, when the Schulmerich Electronics Company of Sellersville, Pa., completed installation of carillonic bells in the St. Mary's chapel cupola located in the heart of the Moraga Valley campus. The installation at St. Mary's was one of the larger instruments, similar to those installed at the Universities of Minnesota, Washington, Arkansas, Pennsylvania and Kentucky, according to G. J. Schulmerich, president of Schulmerich Electronics.

The bells can be played from the chapel keyboard, which includes 25 notes from G to G in chromatic scale. The low G creates a tone equal to that of a six and one-half ton bell.

THE ACTUAL BELLS are bell-metal vibrators, which, when struck by hammers, initiate the harmonic pattern of a perfectly cast bell. These vibrations are passed along to electronic circuits which ultimately develop a volume of the bells that is heard from the chapel tower. These tones are radiated in all directions and can be controlled in volume so that they can be heard over an area of several miles.

St. Mary's observes automatic playing of the traditional Angelus each morning, noon and night. The traditional Westminster strike is rung each hour, and a modern type roll player permits rendering selections of varied music for special occasions.

Spotlighting the Strip

By KITTY COLE

Again the great exodus begins, as thousands prepare to jam highways and byways, on this holiday weekend. So this admonition — DON'T LET DEATH TAKE YOUR HOLIDAY!!!

The latest addition to my column is the S.O.S. Restaurant, on Main Street, just north of Walnut Creek. It is managed by SIS and JACK CAPELLE, she, of the vivacious personality, and he, of the quiet easy-going manner, and both, with those intriguing "you-all" accents. Everyone asks how they can serve such a complete dinner at such a low price. Well, they do, and it's good, too . . . Two kids danced together, were booked on the famous ORPHEUM CIRCUIT, fell in love, and were married. The two, MILDRED and DANNY VAN ALLEN. The partnership has extended to the restaurant, where both are constantly working to make DANNY VAN ALLEN'S, the "talk of the strip."

When you enter PLANTER'S DOCK, you find yourself in a typical curio shop, the counters and shelves housing an intriguing array of jewelry and other imported objects. These you may buy, and many do, coming away with a tangible reminder of the unusual evening spent "high on a hill" . . . EL NIDO'S initial broadcast over KLX with DEAN JENNINGS, was a huge success. The sun came out and bathed the patio with warmth, and the chuck wagon breakfast left nothing to be desired.

In the audience, MARGE and PAT O'BRIEN, the JAY BEDSWORTHS of Tunnel Inn, BOZO MILLER (one of this generation's real "characters") LLOYD JOHNSON, Alameda Times Star, CHEF CARDINI of Milanis' and K.C. (that's me) with my little black book, jotting down all the goings-on.

Note to MR. T. of CAPE COD HOUSE: Puh-leeze MR. THOMPSON!! Everybody knows by now that CAPE COD has delicious seafoods, unusual interior decoration, luncheon served every day, but MR. T. (if I put your first initial before that T. wouldn't I have something?) I want some background on you and RUTH. Secretary, a questionnaire, please . . . The many cars, crowded around HAL'S are mute evidence of its popularity, for large parties are welcome, and many clubs and organizations meet and dine there. Fight night's the right night at HAL'S. Dine and watch the fisticuffs on television.

BILL DUNGAN, comedian, currently at PAUL'S VILLAGE, said, "I just happen to have my scrap book handy" (cute kid) the night I asked for some info on him. He worked with FRANKIE CARLE and our local NICK ESPOSITO'S Orchestras, and at most of the clubs in the Bay Area, going into the MARDI GRAS for one night and staying seven weeks. His bit called "Blind Date" is funny, but very . . . ORINDA WILLOWS, usually such a busy place, is shuttered these days, while EVE and MILT NELSON take a much needed vacation. They will be open again Thursday, JULY 10th.

In the audience, MARGE and PAT O'BRIEN, the JAY BEDSWORTHS of Tunnel Inn, BOZO

PATTER ON THE PARTY LINE

By PATRICIA JELTON

PAUL AND SHIRLEY MARCHANT entertained the Lafayette Rotary Club with a barbecue and swimming party at their new home and pool in Reliez Valley Sunday. The 80-odd guests honored Claire Hamilton, who took over the reins from Roy (Frank L.) King. Kay Butler was chairman for the day.

Those Marchants are of that wonderful ilk who are always too happy to open their home and pool to the neighborhood for a bit of fun or to raise funds for a worthwhile cause. On the evening of September 6 they are doing it again for the Lafayette Larks, a branch of the Diablo Therapy Center, of which Shirley is a past president. More later.

SPEAKING OF OPENING SWIMMING POOLS to neighbors, Bernice Ellis, spouse of Dr. John, and ways and means chairman for the Outdoor Art Association, came up with a terrific idea for a fund raiser, to be held on Sunday, August 3. Plans were formulated at a board meeting under the guidance of Mrs. Ray Garrett, chairman of special events.

It starts off at 2 o'clock at the Artists Market on Stuart Street (just up from Boever's Animal Hospital) with a preview of the paintings of Leonard Brooks, world-renowned artist now teaching in Canada. Now this is going to be of special interest to many folks around here because the bulk of Brooks work is predominately landscapes and sea scapes that even without the aid of an interpreter look like landscapes and sea scapes. And whats more, are within the price range of the average art acquirer. He has some lovely scenes around Carmel, and some with almost a Gauguin feeling of the sea down Mexico way. He has some brown and white sketches with a mysterious atmospheric quality almost Japanese in feeling.

So don't bother to fix up that crack above the mantle. Just rustle the bustle down to the Artists Market and tote home a household treasure. Well, anyway, go and feast your eyes. Frank and Dorothy Brown will co-host with Mr. and Mrs. Michael Czaja.

But wait a minute, this is just the beginning, a springboard for a tour of 10 attractive swimming pools in this area. Tickets for the tour, a token $1, thence to sidle up to 10 bowls filled with tickets under the guardianship of Alma Klaas, and choose one whose color designates at which pool you may swim at the end of the tour, fifty guests to a pool.

In order to encourage exhibitions in the best swan dives, et cetera, several gentlemen from the board of directors have volunteered to act as cocktail custodians and to assist with entertainment if such is needed (which we doubt, having watched many an aquatic exhibitioin in our own backyard). Our own Robert Lucas is supervising the potables department, and whether or not there is any connection between the fact that he is one of our best known plumbers has not been made known to us.

Those who have been stuck, oh, pardon us! — we mean those who so generously agreed to open their pools for the afternoon include:

The Dr. John Ellis' (well, what could they do?) on Springhill Road. Its' modern, you know, and the view — but fantastique!

The Jack Abbotts; they have a lovely new home on Lower Happy Valley Road across the way from the Jack Nobles,' who are also on a hill and have a stunning view; new pool house, too.

The Richard Rerrin Graves, whose superb Henry Hill home in a walnut grove on Pleasant Hill Road is modern with a touch of Oriental. Graves is executive secretary for the League of California Cities and probably knows more about incorporation than anyone around — buttonhole him if you're interested.

The Will Halls, whose lovely pool is in the middle of a pear orchard in Reliez Valley.

Depending upon future arrangements, possibly the Henry J. Kaisers on Pine Lane and the Forrest Engleharts out Danville way.

Others yet to be announced. Oh, yes, almost forgot, the Jeltons in Happy Valley also said yes.

Sound like fun? Now wait a minute, don't go; we're just beginning. For evening festivities, five homes are to be open for cocktails and buffet suppers from Marty's Gourmet House in Walnut Creek; the tariff for same a mere $2. Homes open will be:

The Marion Plants' — if you need to enlarge your premises just go up and see how they've done it.

The C. E. Busbys'. They live in the home Bernice Ellis built to correct all her former building errors. It's on Martino Road, very modern, circular plate glass windows, cork floors, all mahogany paneling brought up from South America alternated with native grass cloth, a view from every room.

The Dr. Clark Lentz' lovely ranch type home in Lakewood, Walnut Creek, and a couple more as yet undecided, probably one in Orinda and one Danville way.

Assisting Mrs. Ellis are Helen Noble, when the Nobles get back from their vacation in Washington; Patty Kilbourn, who will do the flower arranging for the supper parties, and Anita Gordon, chairman of the buffet.

Gentlemen on the board are Ed Barnett, Hiram Meulendyke, Ruth McVean's pa, Michael Czaja, and Forrest Englehart.

Sonja Roemer is ticket chairmon for the Lafayette area. Call her soon at Lafayette 2963, as these reservations will go fast.

THE OUTDOOR ART ASSOCIATION is holding its Fourt Annual Art Show separately from the Walnut Festival this year. The entire Howard clan in Walnut Creek, which consists of the Peter Howards Sr., the Peter Howards Jr., the Harmon Howards and Ruth Howard's mother, Mrs. Barney, are moving all the furniture out of their four respective houses for September 6-7-8-9.

It will repose in vans while Michael Czaja and his crew of architects will take over and convert the estate into a fair grounds.

Aside from the art exhibitions there will be a children's show on the tennis court, something going on in the pool — foods from every country, Hula dancers and folk dancers. And Mrs. Peter Howard Sr., back from Europe, will set up the Cafe de la Paix on her front lawn.

AND IN ANSWER to so many queries, "Will there be another Arty Party?" Yes, there will. On October 23 at the Rendezvous Barn out Concord way.

It's to be a Grandma Moses party with living pictures, the incomparable Fred Udall as M.C., and we'll just bet another gal in a fishnet.

This will finish up activities for the association for the year, which we presume will have already finshed off Mrs. Ells, who will undoubtedly be carried out feet first.

Up to this point we presume that you have been under the impression that the Knudsens' journey was a simple pleasure trip. Pas de tout! Alla, being chairman of Poplar Branch of Children's Hospital, constantly has had her pretty green eyes peeled for new and different ideas for their September fund-raiser, an annual affair at Paul and Carol Diggle's estate in Walnut Creek. Well, Alla's Scottish ancestory won out and it's going to be — a Highland Fling! She got the idea from a party attended in Edinburgh, so it will be complete with bagpipes, Highland flings, sword dance (not recommended for guests after a certain hour — might part with a pinkie) and the only thing Scotch about the food and drink is that they're not going to be.

There will be dancing and games as usual — oh, yes — the date — September 27 — festivities getting under way about 7. Marj Pedder is chairman of the event, so for reservations call Marj at Orinda 2367 or Alla at Orinda 7041, or any of the membership, which consists if Mesdames Valentine Brooks, Elmer Brandt, Frank Brush, William H. Brailsford, Lyle Byres, Vernon Carver, Robert Clough, Paul Diggle, Charles Dimmller, Robert Gardiner, George Goery, Robert Flourney, Derrol Huddleston, John Hudspeth, Robert Ingalls, Harold Inman, Howard Leggett, Alvin McKelligon, Robert Moorehead, Arthur Moore, Robert Neilson, John J. Reilly Jr. and Stanley Smith.

Troop 200 is sponsored by Orinda Rotary Club and is under the leadership of Harry Noller.

Sue Heinrici Becomes Mother To Baby Linnets

Mrs. Sue Heinrici who lives on Los Dedos has been like a mother to three baby linnets . . . only more so.

Mrs. Heinrici first adopted the birds when a king snake invaded their nest killed two of the linnet family and frightened mama and papa linnet into fleeing for their lives.

SINCE THEN, Mrs. Henrici has discovered the trials and tribulations a mother linnet must go through for her young. It seems little linnets are always hungry and every hour on the hour Mrs. Heinrici had to feed them. This was accomplished by dropping mash from a spatula into their wide open mouths. After they grew feathers, they were put into a handy canary cage, where they learned to pick at small grain.

Finally, Mrs. Heinrici decided it was high time for the linnets to go out into the cold cruel world and earn their own way. The cage was left open; the birds chirping happily, zoomed into the unknown world.

SOME TIME LATER, while working in the garden , Mr. Heinrici was surprised to see the three linnets flying overhead. Evidently the world had been too cold and cruel, and the birds returned home.

The birds were put back into their cage. Today, the cage door is left wide open, the linnets fly north and south, but they always come home at night to eat and sleep.

Cubs Win Awards During Picnic

Last meeting of the season for Cub Pack 52 was held at Redwood Regional Park on June 14, and was reported to be the most interesting and impressive meeting the pack had all year.

Seventy-five parents, 55 cubs and a large number of "smaller fry" gathered at the park. The cubs, instead of wearing their uniforms were arrayed in Indian costumes, from loin cloths to headdresses and war paint.

AFTER LUNCH a baseball game between the mothers and the cubs got underway. It was a hard fought three-inning game, with the cubs scoring a 1 to 0 shutout. The fine pitching of Alan Dahlstrand was too much for the mothers, even with the topnotch pitching of Mrs. Ruth "Slugger" Butler.

A den relay race was won by Den 5 and a shoe race was won by George Fraser ,with Reg Barrett second.

At 3 o'clock the pack entered the secret area of Akela to the accompaniment of war whoops and the tom-tom music of Jasper Allara and the war dance music of Bob Brown's accordion.

IN THE CENTER of the area there was a huge council fire and the secret symbols of Akela atop a giant wardrum, Big Chief Bill Ellermeyer, reading the legends of Akela, guide the gathered braves through the lore of the pack and presented the many awards prepared for the worthy.

Den awards were given to Den 9 for achievement and Den 3 for the best costumes. Cubmaster Ellermeyer thanked every member of his committee and introduced the committee for next year. It includes Cal Unnevehr, cubmaster, and Bob Bowler, Ed Hicks, Ken Brown, Walt Haefels, George Nelson, Betty Kimball, Marjorie Hauser, Lois Staff and Inez Guarneri.

CUBS WHO RECEIVED awards were:

Tom Gravatt, Bruce Hilger, Tom Mika, Stephen Hicks ,Roger Strong, Rob Anthonisen, Perry Popvoich, John Nelson, Joe Cayting, Robin McIntyre, Tom Hill, George Fraser, Richard Lyman, Bill Brown.

2 Hurt When Car Hits Motorcycle At Crossroads

Collision of an auto into a motorcycle at Orinda Crossroads last Saturday morning resulted in injury to the driver and passenger on the motorcycle, according to the California Highway Patrol.

Both were reported taken to Herrick Hospital in Berkeley, but their injuries were believed minor.

The driver was Robert Saxon, 21, of Stockton. His passenger was Marva Schor, 20, of Berkeley.

Highway patrolmen said Saxon, traveling west on Mt. Diablo Boulevard, had stopped for the signal at Moraga Highway at 7:30 a.m. and that a westbound car driven by Jerry Freels, 19, of 155 Pleasant Hill Road, bumped into the rear of the motorcycle. Freels is with a Marine detachment at Oakland Airport.

Newlyweds Now At Lake Tahoe For Honeymoon

Honeymooning at Lake Tahoe following their wedding at the home of the brides' parents last Sunday are newlyweds Mr. and Mrs. Ernest L. Wetmore. The new Mrs. Wetmore is the former Jane Wood, daughter of Mr. and Mrs. George Wood of Brookbank Road.

The ceremony was performed by Rev. Harry B. Lee of St. Helena.

Marilyn Dickie acted as maid of honor, while the best man was William Wetmore, the groom's brother. Ernest's parents are Mr. and Mrs. Ernest L. Wetmore of Modesto.

JANE'S WEDDING dress was an embroidered white organdy made with fitted bodice and three tiered skirt over pink net. Her veil, waist length, was of pale pink net, caught to an embroidered cloche. The bride carried a small white Bible, white orchids and a heirloom hankerchief which belonged to the Wetmore family.

The maid of honor's dress was full length white organdy over pale green silk taffeta. She had flowers of matching begonias.

Robin egg blue chiffon with chantilly lace trim was worn by Mrs. Wood. Matching orchids were in her hair.

THE BRIDEGROOM'S mother was in rose chiffon, the dress made with a bolero jacket. She also wore pale pink orchids.

When they return from their honeymoon the newlyweds will leave for Fort Benning, Ga., where Ernest will take his officer's training in the Army.

Jane was a junior at University of California at Davis. Ernest recently graduated from U. C., where he was president of Kappa Sigma Fraternity.

Karen Tynes, Bill Young Wed

Karen Tynes, daughter of Mr. and Mrs. Jack Tynes of 436 Camino Sobrante, became the bride of Bill Young Saturday in a quiet family ceremony performed at Orinda Community Church Chapel by Rev. Fred Morrow

Nancy Tinkham was maid of honor, and Josh Hickman acted as best man.

Bill is the son of Mr. and Mrs. Charles Brinkman of Manteca, Calif.

The newlyweds will honeymoon in Squaw Valley before returning to Berkeley to live.

New Committee Heads Named by Orinda C. of C.

Appointment of committee chairmen was the main business at Orinda Chamber of Commerce's luncheon meeting at Casa Orinda yesterday.

New committee heads include Ned de Laveaga, bus depot and chamber directory; Ramsay Underwood, Civic Affairs; Ed Turk, roads; Paul Vashell, Christmas decorating; Merle Brown, publicity.

A report by Bill Worden on the past year's activities for the Crossroads bus-waiting shelter was presented. Worden praised Mrs. Woodburn K. Lamb, bus shelter committee head of the Orinda Garden Club. Mrs. Lamb helped in getting the aid of Ernest Wertheim, noted landscape architect, who designed the planting box at the shelter. Finance for the plant mixture was given by Orinda Garden Club members and Galen Darr, Worden said.

Andy Blalock, manager of the chamber, had his contract renewed for the coming year.
